Updates

St. Frances Cabrini:

- Our Starlink internet should now be up and running. So, when our normal provider takes its normal day off once every week or so, our campus will not lose internet.
- We have made progress with digging fiber to the Church and Parish Hall. The folks that run fiber came out and took measurements and soil samples. We should have a game plan soon.
- The Rectory, the house I live in, has begun its kitchen renovation. It is a much needed upgrade. As I have mentioned in the past, it will give me the opportunity to invite various groups at both Parishes to enjoy a meal. I look forward to the future gatherings.

St. Rose of Lima:

- We, just as St. Frances, have found that we suffered some damage to a few parts of our roofs. We will be starting the insurance claim which takes some time. I will let you know when we have an update.

Catechesis/Message:

- Some of you may have heard of the lift up your priest campaign. This has been going on and ends this weekend. This is a campaign focused on encouraging parishioners to support, appreciate, and strengthen the roles of their priests within the community. This campaign culminates in the celebration of Good Shepherd Sunday, which also is the World Day of Prayer for Vocations.
- In today's world, there is a great spiritual need. So many people are lost, swept up in the political world we live in. The world is so divisive and is in great need of Christ and his Church. Christ unites all peoples when they come to him. But we first need more priests in order to do that.
- So, my directive to all of you is please pray for vocations. Pray for your priests, pray for your sons and daughters that they may be open to God's will. I know that many of you already do this, and I believe it is definitely working. Please keep it up.

Thank you and God Bless.

Father Brandon

Actualizaciones

Santa Francisca Cabrini:

- Nuestro Internet Starlink ya debería estar en funcionamiento. Por lo tanto, cuando nuestro proveedor habitual se toma su día libre normal una vez a la semana más o menos, nuestro campus no perderá Internet.
- Hemos avanzado en la excavación de fibra para la Iglesia y el Salón Parroquial. La gente que maneja la fibra salió y tomó medidas y muestras de suelo. Deberíamos tener un plan de juego pronto.
- La Rectoría, la casa en la que vivo, ha comenzado la renovación de la cocina. Será una actualización muy necesaria, y como he mencionado en el pasado, me dará la oportunidad de invitar a varios grupos en ambas parroquias a disfrutar de una comida. Espero con interés las futuras reuniones.

Santa Rosa de Lima:

- Nosotros, al igual que Santa Francisca, nos hemos encontrado con que hemos sufrido algunos daños en algunas partes de nuestros techos. Comenzaremos el reclamo del seguro, lo que lleva algún tiempo. Les avisaré cuando tengamos una actualización.

Catequesis/Mensaje:

- Es posible que algunos de ustedes hayan oído hablar de la campaña Levanta a tu sacerdote. Esto ha estado sucediendo y termina este fin de semana. Esta es una campaña enfocada en alentar a los feligreses a apoyar, apreciar y fortalecer el papel de sus sacerdotes dentro de la comunidad. Esta campaña culmina con la celebración del Domingo del Buen Pastor, que también es la Jornada Mundial de Oración por las Vocaciones.
- En el mundo de hoy, hay una gran necesidad espiritual. Mucha gente está perdida, arrastrada en el mundo político en el que vivimos. El mundo está muy dividido y tiene una gran necesidad de Cristo y de su Iglesia. Cristo une a todos los pueblos cuando se acercan a él. Pero primero necesitamos más sacerdotes para hacer eso.
- Por lo tanto, mi directriz para todos ustedes es, por favor recen por las vocaciones. Rezen por nuestros sacerdotes, rezen por nuestros hijos e hijas para que se abran a la voluntad de Dios. Sé que muchos de ustedes ya hacen esto, y creo que definitivamente está funcionando, así que por favor sigan así.

Gracias y que Dios los bendiga.
