St. Frances Cabrini

- We are making slow progress on the Church's sound system. We are now in the phase of getting bids from different companies to then choose one to work with. I will let you know when we make any progress.

- The Columbarium is making some movements. We have to get things squared away with the city first, then we can begin construction. I will let you know once we get the green light.

- In addition to the Columbarium, we are beginning the process of looking at expanding our parking lot around the Family Life Center it will connect it on each side. We will move the playground to be behind the Education Building. Other than the obvious need for more parking, I think it will make our stations of the cross more accessible.

St. Rose of Lima

- The floor for the middle Education building has been replaced. It looks great. The front building also needs replacing; I will keep you apprised of its progress.

Catechesis:

- To veil or not to veil

- To continue the catechesis from last week, I wanted to mention the meaning behind veils. In the Church, we veil that which is sacred. Some Churches have a veil inside the tabernacle; it veils the Blessed Sacrament. You may have noticed that we have veils on the chalice we use on Sundays. We veil the chalice that will hold the body and blood of Christ. And those ladies who wear a mantilla, they veil the sacred, because what is more sacred than the ability to bring life into this world?

- Just wanted to give a little explanation as to why we veil things.

- Father Brandon

Santa Francisca Cabrini

- Estamos progresando lentamente en el sistema de sonido de la Iglesia. Ahora estamos en la fase de recibir ofertas de diferentes empresas para luego elegir una con la que trabajar. Les avisaré cuando avancemos.

- El Columbario está haciendo algunos movimientos. Primero tenemos que cuadrar las cosas con la ciudad, luego podemos comenzar la construcción. Te lo haré saber una vez que tengamos luz verde.

-Además del Columbario, comenzaremos el proceso de ampliar nuestro estacionamiento alrededor del Centro de Vida Familiar. Moveríamos el patio de recreo a la parte trasera del Edificio de Educación y lo conectaríamos a cada lado. Aparte de la necesidad obvia de más estacionamiento, creo que hará que nuestras estaciones de la cruz sean más accesibles.

Santa Rosa de Lima

- Se ha reemplazado el piso del edificio de Educación Intermedia. Se ve muy bien. El edificio delantero también necesita ser reemplazado; Les mantendré informados del progreso.

Catequesis:

- Velar o no velar

- Para continuar con la catequesis de la semana pasada, quería mencionar el significado detrás de los velos. En la Iglesia, velamos lo que es sagrado. Algunas iglesias tienen un velo dentro del tabernáculo; vela el Santísimo Sacramento. Es posible que hayas notado que tenemos velos en el cáliz que usamos los domingos. Velamos el cáliz que contendrá el cuerpo y la sangre de Cristo. Y esas señoras que llevan la mantilla, el velo, lo sagrado, porque qué hay más sagrado que la capacidad de traer vida a este mundo?

- Solo quería dar una pequeña explicación de por qué velamos las cosas.

- Padre Brandon
