Updates

St. Frances Cabrini

- We will be making progress in our fire alarm system this next week. The parts have arrived to begin replacing what is broken.
- The air conditioner this last week during the 5pm Saturday Mass was slacking. It turns out a breaker was switched off for other work and never switched back on. It is now back to full power and should now be fine.
- We now have internet access in the Religious Education building.
- We have replaced all thermostats in the Church and the Religious Education building. Once we get internet for the Church, they will be set.

St. Rose of Lima

- Our new furniture has arrived.
- We will be celebrating St. Rose's memorial day this year as a Solemnity. It falls on Saturday, August 23rd. We will celebrate Mass and then have some community building following Mass. Let us celebrate our community together, more information to come.

Catechesis

Construction Zones

- When you pass by a construction zone, or when Vacation Bible School is happening and your office is on the other side of a wall getting hit by dodgeballs all morning, you may hear many noises. These noises can be distracting and disrupt our normal peace filled day. You would likely get at least a little frustrated and maybe even a little annoyed.

- Well, what if I said this same thing happens during Mass? Every time we stand back up after kneeling, the kneelers make a cacophony across the Church. It is extremely distracting for many and kind of disrupts the prayer of the Church. I know our little ones get excited, I know we have become used to the noise, so it doesn't bother us. I would kindly ask that we do our very best to respect our brothers and sisters and gently place the kneelers back. This constant aggression towards the kneelers can also wear them down overtime.

Something to ponder.

Father Brandon

Actualizaciones

Santa Francisca Cabrini

- Estaremos avanzando en nuestro sistema de alarma contra incendios esta próxima semana. Las piezas han llegado para comenzar a reemplazar lo que está roto.
- El aire acondicionado esta última semana durante la misa del sábado a las 5 p.m. estaba flojo. Resulta que uno no de los interruptores se apagó y nunca se volvió a encender. Ahora ha vuelto a estar a plena potencia y debería estar bien.
- Ahora tenemos acceso a Internet en el edificio de Educación Religiosa.
- Hemos reemplazado todos los termostatos de la Iglesia y del edificio de Educación Religiosa. Una vez que tengamos internet para la Iglesia, estarán listos.

Santa Rosa de Lima

- Ha llegado nuestro nuevo mobiliario.
- Este año celebraremos el día conmemorativo de Santa Rosa como una solemnidad. Cae el sábado, 23 de agosto. Celebraremos la Misa y luego tendremos un poco de construcción comunitaria después de la Misa. Celebremos nuestra comunidad juntos, más información por venir.

Catequesis

Zonas de Construcción

- Cuando usted pasa por una zona de construcción, o cuando la Escuela Bíblica de Vacaciones está sucediendo y su oficina está al otro lado de una pared siendo golpeada por pelotas durante toda la mañana, es posible que escuche muchos ruidos. Estos ruidos pueden ser una distracción e interrumpir nuestro día normal lleno de paz. Es probable que te sientas al menos un poco frustrado y tal vez incluso un poco molesto.

- Bueno, ¿qué pasaría si dijera que esto mismo sucede durante la misa? Cada vez que nos levantamos después de arrodillarse, los reclinatorios hacen una cacofonía a través de la Iglesia. Es extremadamente distractor para muchos y de alguna manera interrumpe la oración de la Iglesia. Sé que nuestros pequeños se emocionan, sé que nos hemos acostumbrado al ruido, así que no nos molesta. Quisiera pedir amablemente que hagamos todo lo posible para respetar a nuestros hermanos y hermanas y que coloquemos suavemente los reclinatorios hacia atrás. Esta agresión constante hacia los reclinatorios también puede desgastarlos con el tiempo.

Algo para reflexionar.

Padre Brandon
