Updates

St. Frances Cabrini

- Our fire alarm sensors that were in the duct work for the HVAC units have been replaced and the beeping from our machine should stop now.
- We have new mailboxes. We have had our mail stolen in the past and people have tried to cash checks down at the bank, so these boxes are secure.

St. Rose of Lima

- We are working on getting the paperwork done for our bi-annual check up on our HVAC units. We will also be upgrading the thermostats to smart ones to make them easy to work with and we can put them on a schedule.
- We will be getting new internet soon; this means I will move our main office back over to the front of the religious education buildings. I do not like being hidden in the corner.

Catechesis/Message

A note on security.

- As I am sure you have heard, the chapel door code has been changed and will be changed periodically for security purposes. In our ever changing world, it is best to keep things as secure as we can.
- I am not only responsible for all of the spiritual lives of those in Hood and Somervell County, I am also responsible for your physical safety. This is also why we will be upgrading our key system all over campus as well as upgrading our security cameras.
- Please know that I take your safety very serious and will do everything that I can within reason, to ensure your safety during our worship times.

- Hope this helps

Father Brandon

Actualizaciones

Santa Francisca Cabrini

- Nuestros sensores de alarma contra incendios que estaban en los conductos de las unidades HVAC han sido reemplazados y el pitido de nuestra máquina debería detenerse ahora.
- Tenemos buzones nuevos. Nos han robado nuestro correo en el pasado y la gente ha tratado de cobrar cheques en el banco, por lo que estas cajas son seguras.

Santa Rosa de Lima

- Estamos trabajando para hacer el papeleo para nuestro chequeo semestral de nuestras unidades HVAC. actualizaremos los termostatos a inteligentes para que sea fácil trabajar con ellos y podamos ponerlos en un horario.
- Pronto tendremos un nuevo Internet; esto significa que moveré nuestra oficina principal al frente de los edificios de educación religiosa. No me gusta estar escondido en un rincón.

Catequesis/Mensaje

Una nota sobre seguridad.

- Como estoy seguro de que ha escuchado, el código de la puerta de la capilla se ha cambiado y se cambiará periódicamente por motivos de seguridad. En nuestro mundo en constante cambio, es mejor mantener las cosas lo más seguras posible.
- No solo soy responsable de todas las vidas espirituales de los habitantes de los condados de Hood y Somervell, sino que también soy responsable de su seguridad física. Esta es también la razón por la que actualizaremos nuestro sistema de llaves en todo el campus, así como nuestras cámaras de seguridad.
- Por favor, sepan que me tomo muy en serio su seguridad y haré todo lo que pueda dentro de lo razonable para garantizar su seguridad durante nuestros tiempos de adoración.

- Espero que esto ayude

Padre Brandon
