## Updates

### St. Frances Cabrini:

- All of our roofs should now be good to go. We also have new gutters with guards to keep all of the leaves out.

- We are making good progress with the Columbarium and the Parking Lot expansion; I will let you know more soon.

- We had a great launch event of our Hallow page this past Monday. I look forward to praying with you in the future.

### St. Rose of Lima:

- We had to resubmit the IRS paperwork for our EIN, but after a little over an hour of a phone call with the IRS, we believe we now filled everything out in the way they want it. I will let you know in about a month.

- I have now placed smart TVs in almost all of the classrooms. We are still working on getting someone to get our internet extended to all rooms. A work in progress.

### Catechesis/Message:

- I and 25 other pilgrims will be departing for France this Monday.

- Please keep all of us in your prayers, and please know that all of you will be in mine.

- While I am gone, Fr. Ben Grothouse will cover weekend Masses the first weekend, and then a Missionary Priest will be with you the next week. Fr. Ben is a good friend of mine so I believe you will be in good hands.

God Bless.

- Father Brandon

## Actualizaciones

### Santa Francisca Cabrini:

- Todos nuestros techos deberían estar listos para funcionar. También tenemos nuevas canaletas con protectores para mantener todas las hojas fuera.

- Estamos haciendo un buen progreso con el Columbario y la expansión del estacionamiento; Te haré saber más pronto.

- Tuvimos un gran evento de lanzamiento de nuestra página de Hallow el lunes pasado. Espero orar con ustedes en el futuro.

### Santa Rosa de Lima:

- Tuvimos que volver a enviar la documentación del IRS para nuestro EIN, pero después de un poco más de una hora de una llamada telefónica con el IRS, creemos que ahora completamos todo de la manera que ellos quieren. Te lo haré saber como en un mes.

- Ahora he colocado televisores inteligentes en casi todas las aulas. Todavía estamos trabajando para conseguir que alguien extienda nuestro Internet a todas las habitaciones. Un trabajo en progreso.

### Catequesis/Mensaje:

- Yo y otros 25 peregrinos partiremos hacia Francia este lunes.

- Por favor, manténganos a todos en sus oraciones, y sepa que todos ustedes estarán en las mías.

- Mientras estoy fuera, el P. Ben Grothouse cubrirá las misas de fin de semana el primer fin de semana, y luego un sacerdote misionero estará con ustedes la próxima semana. El P. Ben es un buen amigo mío, así que creo que estará en buenas manos.

Dios los bendiga.

- Padre Brandon

## **When are we getting Parish Directories?**

Seems like it is taking forever doesn't it? The short answer is we endeavor to have them before Advent starts.

For those curious about the timeline, here is some insight:

Our original photography dates in March did not accommodate all the parishioners wishing to get pictures taken. The next date we were able to get photographers back was June. Then we needed to verify names, addresses, phone numbers, etc. as well as select the layout, fonts, etc. All of this was forwarded to them in early July. We were put in line for design work and received a proof copy Monday (9/8/25).

This week we are proof reading it, noting errors and will have sent it back Friday after multiple people have looked at it. We currently have about 30 errors that will require correction. Once we send it back, the errors are corrected, they send a revised proof for us to verify the errors are corrected and then are printed, Advent should be right around the corner.

As soon as they arrive, please know we will distribute them to everyone who participated.

We appreciate your patience and prayers as we work through this labyrinth.

## **¿Cuándo recibiremos los Directorios Parroquiales?**

Parece que tarda una eternidad, ¿no? La respuesta corta es que nos esforzamos por tenerlos antes de que comience el Adviento.

Para quienes tengan curiosidad sobre el cronograma, aquí les dejo una idea: Nuestras fechas originales de fotografía en marzo no dieron cabida a todos los feligreses que deseaban tomarse fotos. La siguiente fecha en que pudimos volver a tener fotografías fue en junio. Luego, tuvimos que verificar nombres, direcciones, números de teléfono, etc., así como seleccionar el diseño, las fuentes, etc. Todo esto se les envió a principios de julio. Nos pusieron en fila para el trabajo de diseño y recibimos una copia de prueba el lunes (8/9/25).

Esta semana lo estamos revisando, anotando errores y lo habremos devuelto el viernes después de que varias personas lo hayan visto. Actualmente tenemos alrededor de 30 errores que requerirán corrección. Una vez que lo enviemos de vuelta, se corrijan los errores, nos envíen una prueba revisada para que verifiquemos que se corrijan y luego se imprima. El Adviento debería estar a la vuelta de la esquina.

En cuanto lleguen, sepan que los distribuiremos a todos los participantes.

Agradecemos su paciencia y oraciones mientras trabajamos en este laberinto.
