## **St. Frances Cabrini**

- The next phase of security updates is to ensure every classroom has the ability to have the door locked. This is not currently the case. In the event of a threat entering the building, we can lock and keep the kids as safe as we can.

- Our fiber has been installed directly into the office. From here, we will get a connection to the Church and to the Parish Hall.

-Our festival went very well. Everyone who showed up seemed to have a great time. We have learned a lot from this festival and will do our best to make our 50th anniversary next year an even bigger celebration.

## **St. Rose of Lima**

- We are working on getting a camera set up, it is taking a little longer, but I hope it is done by this Sunday.

### **Catechesis/Message**

- You may hear the word stewardship thrown around or may have even given to the fund in the past, and you may wonder what it is used for. Well, so did I, so we found out from the Diocese. This fund is one I can choose to use for whatever purpose I think it is needed for. So, I will begin touring various charity organizations in Granbury and Glen Rose to hopefully begin supporting them regularly. I will let you know which ones we choose monthly.

- We are not only called to be generous to the Church, but also to those in need in our surrounding areas. We are blessed with a congregation that volunteers for many charities, it is time we begin helping financially as well as with boots on the ground.

Something to look forward to.

- Father Brandon

## **Santa Francisca Carbini**

- La siguiente fase de las actualizaciones de seguridad es asegurarse de que cada salón pueda tener la puerta cerrada con llave. Esto no es así actualmente. En caso de que una amenaza entre en el edificio, podemos encerrar y mantener a los niños lo más seguros posible.

- Nuestra fibra se ha instalado directamente en la oficina. Desde aquí, tendremos una conexión con la iglesia y con el Salón Parroquial.

- Nuestro festival fue muy bien. Todos los que vinieron parecían pasárselo en grande. Hemos aprendido mucho de este festival y haremos todo lo posible para que nuestro 50º aniversario sea una celebración aún mayor.

## **Santa Rosa de Lima**

- Estamos trabajando en montar una cámara, está tardando un poco más, pero espero que esté listo para este domingo.

### **Catequesis/Mensaje**

- Puede que escuches la palabra gestión responsable o incluso que haya dado al fondo en el pasado, y te preguntes para qué se usa. Bueno, yo también, así que lo supimos por la Diócesis. Este fondo es uno que puedo elegir usar para cualquier propósito que crea que es necesario. Así que empezaré a recorrer varias organizaciones benéficas en Granbury y Glen Rose con la esperanza de empezar a apoyarlas regularmente. Os diré cuáles elegimos cada mes.

- No solo estamos llamados a ser generosos con la Iglesia, sino también con quienes lo necesitan en nuestras áreas cercanas. Tenemos la suerte de contar con una congregación que se ofrece como voluntario en muchas organizaciones benéficas, ya es hora de empezar a ayudar económicamente y también con personal sobre el terreno.

Algo que esperar con ilusión.

- Padre Brandon
