## A LETTER FROM FR. JAKE

Dear Sisters and Brothers in Christ,

Pope Francis has declared this Jubilee year as a time for us to be *Pilgrims of Hope*. This theme perfectly complements our parish focus on *Following Jesus*, for as St. Paul reminds us, "*Jesus Christ is our hope*" (1 Tim 1:1). Lent offers us a special opportunity to embrace the practices of prayer, fasting, and almsgiving. These disciplines cultivate a lasting hope, allowing us to face the present with courage and step into the future with greater confidence as followers of Jesus.

At St. Joe's, we are embracing this call with our own Lenten theme: **"Road to Hope"**, which leads us to the **"Road to Life."** Throughout Lent, we have been reflecting on ways to build hope in our hearts and share it with others. In keeping with the Jubilee's spirit of pilgrimage, we are using the image of a road trip to guide us along this journey of hope.

As we began our Lenten journey, guided by the readings and message from Sunday, March 9, we reflected on what it means to **"Let God Take the Driver's Seat."** We started by focusing on the practice of fasting. Just as a driver must surrender control to a trusted navigator, we are invited to let God take the lead in our lives. Many of us consider what we might need to "fast" from, distractions, habits, or worries that prevent us from fully trusting in God's guidance. Letting go is not always easy, but when we place our trust in the Lord, we find peace and clarity along the road.

The following week, inspired by the message from Sunday, March 15, we turned our attention to prayer and the importance of **"Making Sure We Can Hear the Directions."** Just as travelers must listen carefully to the GPS stay on course, we are called to quiet our hearts and tune in to the voice of our Savior. Through prayer, we open ourselves to God's guidance and deepen our relationship with Him. Many have shared how moments of quiet reflection during Lent have brought them closer to Christ and His will for their lives.

As our journey continued, we headed into our third week, focusing on **"Construction Zones,"** and we acknowledged that every road comes with obstacles. In our spiritual lives, these "construction zones" - the trials and challenges we face - can slow us down. Yet, as we reflect on past difficulties, we often recognize how God has used those moments to shape and strengthen us. This week was a reminder that even in seasons of struggle, Christ walks with us, working all things for our good.

In the weeks ahead, this month of April, we will continue traveling this Road to Hope towards Easter. We will reflect on the practice of almsgiving and the importance of **"Noticing our Blind Spots."** Just as drivers must check for things they cannot immediately see, we are called to ask the Lord to reveal the needs of those around us, especially those most in need of hope and help. How might you share your blessings and extend kindness to someone who needs it?

As we approach the final week of our journey, we are reminded to keep our eyes on the **destination**. It is easier to stay hopeful when we remember where we are headed. Jesus journeyed to Jerusalem to fulfill His saving mission through His Paschal Mystery - His suffering, death, and resurrection. This is our ultimate source of hope and the destination of our Lenten journey. As we continue walking together, let us hold fast to the promise of new life in Christ.

I invite you to continue journeying with us on this Road to Hope, trusting that it will lead us to the fullness of life in Christ. May this season be a time of grace, renewal, and a deepening of hope in your hearts.

God Bless,

Fr. Jacques (Jake) Beltran, Pastor
