

January 14, 2021

Dear Sue,

Thanks to you and your friends at St. Joseph's Church for the incredible in-kind donation of hooded sweatshirts, hats, gloves, and scarves to help Boys & Girls Club of Lake County families stay warm this winter. St. Joseph's Church continues to play a crucial role in our mission to support Lake County youth, and we look forward to continuing our partnership into 2021 and beyond.

Our doors have recently re-opened to a limited number of youth and I want to assure you that our Boys & Girls Club of Lake County team members are hard at work taking care of our Club family. With children back in school, we are making adaptations to our program so the most vulnerable among us remain healthy, safe, and connected to the Club family that plays a critical role in their lives. We are providing safe spaces and internet access to help facilitate their e-learning during the day and providing regular programming after school at one of our sites.

We do important work, but we can't do it alone. Thank you for helping to make the holidays brighter for our children.

With best wishes in 2021,

Cesilie Price
Chief Executive Officer
