V SUNDAY IN ORDINARY TIME

## A National Eucharistic Revival

The world needs Our Savior, especially right now, but the Church is wounded and we sometimes struggle to respond to the needs of our time. We have wandered from **the source and summit of our faith, Jesus Christ in the Holy Eucharist**. The Eucharistic Revival is a call back to the heart of the faith so that we can be vessels of Christ in our families, communities, and parishes.

Scandal, division, disease, and doubt. The Church has withstood each of these throughout our very human history. But today we confront all of them, all at once. Our response in this moment is pivotal.

The Holy Spirit invites our Church into **an era of healing and renewal**, returning the Church to **our apostolic roots to encounter and rediscover Jesus Christ in the Blessed Sacrament**. Flowing from this movement will be tens of thousands of Catholics commissioned into Eucharistic mission, accompanying those in need, and leading others into an intimate encounter and relationship with the **Real Presence** of Jesus Christ.

This Eucharistic movement is **national** in scale but **local** in reach. Each of us can close our eyes and picture that loved one—the one who has walked away from the faith or may have never known the Lord. The Revival exists to equip you to reach that person. It seeks to make **passionate disciples** of everyday Catholics in the pews who know the love and refuge that exists in the Holy Eucharist.

The Revival is a concentrated effort of believing Catholics to rally together and **lift up the Eucharist** in our own hearts, in the lives of our neighbors, and within the Church. It is time to restore the Eucharist as the source and summit of the **Catholic faith in America**.

- The Church in the United States will **unify** around the source and summit of our faith.
- We will experience **healing** as individuals and as a nation, restored to wholeness in the presence of our Eucharistic Lord.
- Christ will draw closer to all hearts than ever before, deepening **conversion** and bringing with him the peace only he can provide.
- Through intentional **formation**, more Catholics and non-Catholics will come to believe in the Real Presence and have a living relationship with Jesus in the Eucharist.
- The Holy Spirit will lead individuals and communities to use their talents in a **grassroots outpouring** of creativity, devotion, and missionary zeal.
