

ST. PIUS X PARISH

July 2, 2023

ONE NATION UNDER GOD

"Of all the dispositions and habits, which lead to political prosperity, Religion and Morality are indispensable supports. In vain would that man claim the tribute of Patriotism, who should labor to subvert these great pillars of human happiness, these firmest props of the duties of Men and Citizens. The mere Politician, equally with the pious man, ought to respect and to cherish them. A volume could not trace all their connexions with private and public felicity." **George Washington**, *Farewell Address* (1796).

"We have no government armed with power capable of contending with human passions unbridled by **morality and religion** . . . Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." **John Adams**, *in a speech to the military* (1798).

"For avoiding the extremes of despotism or anarchy . . . the only ground of hope must be on the morals of the people. I believe that **religion is the only solid base of morals and that morals are the only possible support of free governments.** Therefore education should teach the precepts of religion and the duties of man towards God." **Gouverneur Morris**, *Penman and Signer of the Constitution*.

"Human law must rest its authority ultimately upon the authority of that law which is divine. . . . Far from being rivals or enemies, religion and law are twin sisters, friends, and mutual assistants. Indeed, these two sciences run into each other." **James Wilson**, *Signer of the Constitution; U. S. Supreme Court Justice*.

"The only foundation for a useful education in a republic is to be aid in religion. Without this there can be no virtue, and **without virtue there can be no liberty**, and liberty is the object and life of all republican governments." **Benjamin Rush**, *Signer of the Declaration of Independence*.

"Without morals a republic cannot subsist any length of time; they therefore who are decrying the Christian religion, whose morality is so sublime & pure, [and] which denounces against the wicked eternal misery, and [which] insured to the good eternal happiness, are undermining the solid foundation of morals, the best security for the duration of free governments." **Charles Carroll of Carrollton**, *Signer of the Declaration of Independence*.

Discover the Amazing Riches of the Catholic Faith

**What is the Catholic Church all about? What does it mean to be Catholic?
What do Catholics actually believe?**

The Catholic Church is extraordinary. Founded by Christ himself, the Catholic Church is where we encounter God in his Word, his sacraments, and his saints. The Church faithfully proclaims the fullness of faith, leaving no truth out. It proclaims the fullness of life, leaving no person out. It calls all to repent and to believe in God the Father, Son, and Holy Spirit, the source of all life and salvation.

Maybe you've been Catholic your entire life. Maybe you're just beginning to explore the Catholic Faith. Wherever you may be in your journey, you will be profoundly moved by the beauty and the richness of the Catholic Church.
