October
month of the
Rosary

“The Rosary, though clearly Marian in character, is at heart a Christocentric prayer. In the sobriety of its elements, it has all the *depth of the Gospel message in its entirety*, of which it can be said to be a compendium. It is an echo of the prayer of Mary, her perennial *Magnificat* for the work of the redemptive Incarnation which began in her virginal womb. With the Rosary, the Christian people *sits at the school of Mary* and is led to contemplate the beauty on the face of Christ and to experience the depths of his love. Through the Rosary the faithful receive abundant grace, as though from the very hands of the Mother of the Redeemer.”

“A number of historical circumstances also make a revival of the Rosary quite timely. First of all, the need to implore from God *the gift of peace*. The Rosary has many times been proposed by my predecessors and myself as a prayer for peace (...) A similar need for commitment and prayer arises in relation to another critical contemporary issue: *the family*, the primary cell of society, increasingly menaced by forces of disintegration on both the ideological and practical planes, so as to make us fear for the future of this fundamental and indispensable institution and, with it, for the future of society as a whole. The revival of the Rosary in Christian families, within the context of a broader pastoral ministry to the family, will be an effective aid to countering the devastating effects of this crisis typical of our age.”

““*Our entire perfection consists in being conformed, united and consecrated to Jesus Christ*. Hence the most perfect of all devotions is undoubtedly that which conforms, unites and consecrates us most perfectly to Jesus Christ. Now, since Mary is of all creatures the one most conformed to Jesus Christ, it follows that among all devotions that which most consecrates and conforms a soul to our Lord is devotion to Mary, his Holy Mother, and that the more a soul is consecrated to her the more will it be consecrated to Jesus Christ”. Never as in the Rosary do the life of Jesus and that of Mary appear so deeply joined. Mary lives only in Christ and for Christ!”

“The Rosary is both meditation and supplication. Insistent prayer to the Mother of God is based on confidence that **her maternal intercession** can obtain all things from the heart of her Son. ”

REMEMBERING OUR LOVED ONES

It is our custom at St. Pius X to bring in photos of our deceased loved ones during the month of November.

This is our way of acknowledging that the veil between this life and the next is thin and that these people have gone on to their eternal reward – which will also be our reward someday. So we invite all to bring in their photos for our display area in the Narthex. Please have your pictures in stand-up frames with your name and phone number on the back so we can return them.
