Dear Families of our SEC Students,

Now that I am in my first year as pastor of SEC, your active involvement and participation in Catholic education is terrific and I thank you wholeheartedly! We could not do this without you! Your sacrifices and commitment to our parish school do not go unnoticed!

I am impressed daily, by the dedication and hard work of our incredible teachers, principal, and our amazing staff, in general! Being in education myself for so many years, I can assure you that your children are being prepared for high school and beyond; they are learning Christian values while becoming life-long learners.

After consultation with our parish Finance Council and an in-depth review of our financial resources, the tuition rates have been set for the 2023-2024 school year.

Now that year one of TuitionCare is completed, with every current K-8 family receiving a tuition reduction of \$948, we are confident that we will not only match that next year but hopefully exceed it!

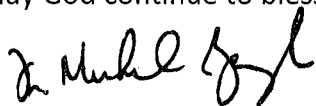

Financial Aid is always available through grants, state tax credits, and donations to assist families who qualify for additional financial help.

We are so blessed at SEC and for so many reasons! YOU and your children are top on that list!

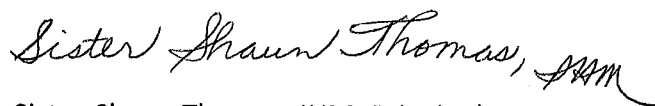

TUITION RATES 2023-2024 SCHOOL YEAR

	1 Student	2 Students	3 (or more) Students
