Housing Our Homeless

We are told to see the face of Jesus in all whom we meet! Our homeless have the face of Christ. We have a solution but it will take the entire community and we need support from every church! At this time we cannot put a room over their heads. Highland Lakes Haven, a 501©(3) is a solution. They will have rules, a job, pay rent, and hopefully attend church. This is a hand up, not a hand out! Please give generously to this mission and be a part of helping the homeless in our community. Larry Stahl, President, Highland Lakes Haven, P.O. Box 1678, Marble Falls, 78654, <https://www.highlandlakeshaven.org>..

Caring Bridge

A detailed account of Father Ruben's Cancer journey is on the website www.caringbridge.org. "Recently, someone referred to me as a cancer survivor. I had not considered the idea but it gave me something to ponder. My infusion nurse shared stories of working at M.D. Anderson Cancer Hospital in the early years of her career.

Treatment was considerably different then! I am quite fortunate to find myself in an era when medical science has made such advances in cancer research that have made my "survival" possible.

I thank God for the wonderful care that I have received. I feel truly blessed. I know that my life has been changed and I will always have vestiges of the disease but I can say that I have made it this far and will continue to cherish what I have.

In a few weeks, I will have a PET Scan which will tell us if I am cancer free. I thank God for the gift of life."

A Word from Servant of God Isaac Hecker, Founder of the Paulist Fathers

“The possibility, the practicability of the whole Catholic system is the main question with many souls outside the church. Prove that Catholic authority is conducive to the progress of human nature to a higher life, to a godlike life, and is a means to that end, and you will have no further difficulty with many non-Catholics.”

[“Dr. Brownson and Catholicity,” The Catholic World,

November 1887]
If you have asked Father Hecker to pray for you or another person who is ill, and you believe something miraculous has happened, please phone Father Paul Robichaud, CSP, at 212-265-3209 x350 and tell him your story.
