We are happy to grant permission for members of the parish to be married at another Church with the expectation that the priest or deacon witnessing the marriage ensures the couple is prepared, the proper documents are gathered and prepared for submission as required. When all the documents are received at the parish of Our Saviour from the priest/deacon witnessing the marriage, we are pleased to send them to the chancery office in the Archdiocese of New York for forwarding to the diocese in which the marriage is taking place. We ask a processing fee donation of $300.

Please add any other helpful information:

Once received, we will schedule a time to speak with one of the priests at Our Saviour. We ask that you introduce yourself to the priest when you come to Sunday Mass, and mention you are planning to be married.
