Support the Collection for the Church in Latin America

This weekend, we take up the Collection for the Church in Latin America! Many people in Latin America and the Caribbean do not have access to church programs and ministries because of a rising secular culture, difficult rural terrain, and a shortage of ministers. Your generosity makes it possible for our brothers and sisters in Latin America and the Caribbean to share in the life of the Church and grow closer to Christ. Please be generous to the special collection! To learn more, please visit www.usccb.org/latin-america.

Stewardship Notes

As noted in July, we are beginning to raise awareness about the state of our parish finances. Below, you will find an abbreviated statement of income for the first two quarters of our fiscal year which began in July. You will see that we are currently running a deficit for the year of \$88,970. This is an improvement over our first quarter; however, we still need your help to make up this deficit. **There will be a second collection on the weekend of February 15th and 16th for deficit reduction.** Please prayerfully discern what you are able to contribute.

Lovepacs is an established 501c3 that seeks to engage communities by serving others and offer an expression of God's love by feeding kids in need. They have established a direct relationship with school, counselors and administrators in order to properly identify children in need.

Lovepacs serves children on the free and reduced lunch program through area public schools. Lovepacs primarily serves children during extended school breaks when the food they receive from the local backpack program will not be enough. This includes Spring Break.

Liturgy Adaptations and Restrictions during the Flu Season

Due to the severity of this flu season, the Diocese of Fort Worth has instructed parishes to immediately implement the following liturgical adaptations:

- To encourage the faithful to not hold hands during the Our Father;
- To suspend the distribution of the Precious Blood;
- To suspend handshakes during the Sign of Peace; and
- If a non-communicant comes forth for a blessing, the blessing should be given without touching them.

Attention:

Liturgy Adaptations
& Restrictions
during the
Flu Season

The faithful are reminded that in receiving the Blessed Sacrament under one species, they are still receiving our Lord – body, blood, soul, and divinity as the Church has always taught.
