You can help us
 during the COVID-19 pandemic.

During this challenging time, we depend on online donations to continue our ministry. Use eGiving from your computer, smartphone or tablet to set up a recurring donation or make a one-time gift. Plus, sign up is easy.

How eGiving benefits you and our church:

- Consistency: Your support will allow us to continue our important ministries and continue to help the community.
- Convenience: Support the parish from the comfort and safety of your home with a smartphone or computer.
- Cost-Effective: Reduces our printing and mailing costs, so we can use that saved money to further our ministries in the community. Plus, it's better for the environment!

Signing up for Faith Direct is easy and only takes a few minutes - and if you need assistance with signing up, Faith Direct is there to help you every step of the way. Thank you for your continued support of St. Martin de Porres! To answer the call and sign up today, visit: faith.direct/TX706

Opportunity to Dream
 Everyone- you, your parents, your friends- has dreams for the future. Trish dreams of becoming a doctor. Maria Ana also wants to help people; she wants to be a nurse. And Yvone? She wants to be a hair dresser so that she can earn money to help her family.

Young people must be provided good nutrition to be able to pursue their dreams. Did you have the opportunity to dream? What can you do to give young people the opportunity to dream?

Visit csrcricebowl.org for more.

CRS RICE BOWL

*Then, taking the five loaves and the two fish and looking up to heaven, he said the blessing, broke the loaves, and gave them to [his] disciples to set before the people.

THANK YOU

We thank all medical laboratory scientists, nurses, doctors, and other healthcare workers for their selfless dedication and relentless effort to continuously serve amidst the threat of Covid-19. May GOD be with them in this time of medical emergency.

Please say a prayer for them!

The Diocese of Fort Worth has created a dedicated web page in English and Spanish for the faithful, as well as the general public. **Please visit this page frequently for the most up-to-date information about Coronavirus (COVID-19) precautions and liturgy adaptations:**

**PreK3 - 8th Grades
 Now Enrolling!**

www.smdpcatholic.org

Welcome to St. Martin de Porres Catholic School! We offer a strong academic program, strengthened by core Catholic values, for students in grades PK3-8. Did you know:

- We have a 10:1 student/teacher ratio;
- Our Music Teacher is a Grammy Award winner;
- Over one-third of our 1st through 8th graders will be participating in the Private School Interscholastic Competition this month; and
- Our Archery Team has qualified for, and will be going to, the State Archery Tournament with hopes of qualifying for Nationals, as we did last year?!

What you need to know about coronavirus disease 2019 (COVID-19)

What is coronavirus disease 2019 (COVID-19)?

Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person. The virus that causes COVID-19 is a novel coronavirus that was first identified during an investigation into an outbreak in Wuhan, China.

Can people in the U.S. get COVID-19?

Yes. COVID-19 is spreading from person to person in parts of the United States. Risk of infection with COVID-19 is higher for people who are close contacts of someone known to have COVID-19, for example healthcare workers, or household members. Other people at higher risk for infection are those who live in or have recently been in an area with ongoing spread of COVID-19. Learn more about places with ongoing spread at <https://www.cdc.gov/coronavirus/2019-ncov/about/transmission.html#geographic>.

Have there been cases of COVID-19 in the U.S.?

Yes. The first case of COVID-19 in the United States was reported on January 21, 2020. The current count of cases of COVID-19 in the United States is available on CDC's webpage at <https://www.cdc.gov/coronavirus/2019-ncov/cases-in-us.html>.

How does COVID-19 spread?

The virus that causes COVID-19 probably emerged from an animal source, but is now spreading from person to person. The virus is thought to spread mainly between people who are in close contact with one another (within about 6 feet) through respiratory droplets produced when an infected person coughs or sneezes. It also may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes, but this is not thought to be the main way the virus spreads. Learn what is known about the spread of newly emerged coronaviruses at <https://www.cdc.gov/coronavirus/2019-ncov/about/transmission.html>.

What are the symptoms of COVID-19?

Patients with COVID-19 have had mild to severe respiratory illness with symptoms of

- fever
- cough
- shortness of breath

What are severe complications from this virus?

Some patients have pneumonia in both lungs, multi-organ failure and in some cases death.

How can I help protect myself?

People can help protect themselves from respiratory illness with everyday preventive actions.

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.

If you are sick, to keep from spreading respiratory illness to others, you should

- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

What should I do if I recently traveled from an area with ongoing spread of COVID-19?

If you have traveled from an affected area, there may be restrictions on your movements for up to 2 weeks. If you develop symptoms during that period (fever, cough, trouble breathing), seek medical advice. Call the office of your health care provider before you go, and tell them about your travel and your symptoms. They will give you instructions on how to get care without exposing other people to your illness. While sick, avoid contact with people, don't go out and delay any travel to reduce the possibility of spreading illness to others.

Is there a vaccine?

There is currently no vaccine to protect against COVID-19. The best way to prevent infection is to take everyday preventive actions, like avoiding close contact with people who are sick and washing your hands often.

Is there a treatment?

There is no specific antiviral treatment for COVID-19. People with COVID-19 can seek medical care to help relieve symptoms.
