Our Lady of the Rosary Early Childhood Center is, foremost, a Catholic school where the children are afforded opportunities to develop spiritually, socially, physically, and intellectually. All Catholic families are encouraged to be registered, involved members of their Catholic parish, regardless of the tuition fees involved or not involved, as in the case with the VPK program. If any families would like assistance with connecting or re-connecting with a Catholic parish, please do not hesitate to ask about this. To ensure that our goals and objectives are met, the advisory commission and administration of Our Lady of the Rosary ECC feel that it is important to maintain a low child/staff. We also strive to keep tuition rates affordable for those families who are seeking a Catholic environment for their children. In doing so, we offer a lower rate to those families who are *supportive, active members* of their Catholic parishes. All Catholic families must provide the name of their parish and their parish registration number (found on your weekly envelopes).

Our Lady of the Rosary ECC is self-supporting. Tuition, registration fees, and fundraising events comprise our total income. We are a non-profit entity. All income returns directly to the center in the forms of staff compensation, low teacher-student ratios, building maintenance, equipment and supplies, and staff professional development. Your children are enrolled in a quality program due to your financial commitment and personal involvement. Please be assured that every effort is made to ensure that we are good financial stewards of your monies.

Sincerely in Christ,

Corrine Ertl, Administrator
