Reflection:

Today as we celebrate the feast of Easter, like Mary Magdalene and the Disciples we find the challenge of also seeing and believing the resurrection.

As you put your gift into the St. Vincent de Paul box you help those who are poor and hungry to "see and believe" in the Resurrection.

Kids' Canned Pasta & Whole Kernel Corn

Please leave donations in the box under the pamphlet rack. Cash donations are always appreciated and can be put in the collection baskets at Mass. Blessings and thanks to all who support this ministry!

Preventive screenings can help and we have partnered with Life Line Screening to provide these valuable screenings.

Have you ever thought about the following?

- I want to see my grandchildren grow up.
- I want to continue living independently.
- I don't want to be a burden on my family.

The mission of Life Line Screening is to provide advance, yet affordable and convenient health screenings that supplement your traditional healthcare.

They can help make you aware of a previously silent, unrecognized problem that can now get treated at an early stage, or confirm that you are on the right path and should continue your healthy habits.

Don't let heart disease and stroke get in your way of the life you love. These 5 vital screenings take 60-90 minutes to complete. Register by calling toll free 1-888-653-6441, text the word "circle" to 797979 or online at <https://llsa.social/HS>
