## Stewardship Prayer Corner

In today's Gospel, the disciples suggest that Jesus disperse the crowd so that they might *individually* seek food and lodging. The miracle of the feeding of the five thousand is Jesus' powerful reminder that when we *share* our gifts in His name there is always more than enough!

## Oración de Mayordomía

En el Evangelio de hoy, los discípulos sugieren a Jesús que disperse a la multitud para que puedan buscar comida y alojamiento individualmente. El milagro de la alimentación de los cinco mil es el poderoso recordatorio de Jesús de que, cuando compartimos nuestros dones en Su nombre, ¡siempre hay más que suficiente!

# Pastor's Note...

Dear Parishioners,

A couple of people have asked me, with the pope being an American what effect will it have on us.

I always thought there would never be an American pope because the Church would not want to give too much power and prestige to the strongest country in the world. However, the cardinals evidently thought differently and we now have an American pope. As for the effect he will have on us, it is very little. This is now the seventh pope during my lifetime, and they have had little effect on daily church life. One area a pope can have great influence is in the appointment of bishops and cardinals because he makes the final decisions. But other than that, there will be little changes with Pope Leo, it will be more of the same.

I am enthused by Pope Leo; he seems energetic and excited to be the Holy Father.

*Jr. Paul*

Queridos feligreses,

Un par de personas me han preguntado qué efecto tendrá en nosotros el hecho de que el papa sea estadounidense.

Siempre pensé que nunca habría un Papa americano porque la Iglesia no querría dar demasiado poder y prestigio al país más fuerte del mundo. Sin embargo, es evidente que los cardenales pensaron de otro modo y ahora tenemos un Papa americano. En cuanto al efecto que tendrá en nosotros, es muy poco. Este es ya el séptimo papa durante mi vida, y han tenido poco impacto en la vida diaria de la Iglesia. Un área en la que un Papa puede tener gran influencia es en el nombramiento de obispos y cardenales, porque él toma las decisiones finales. Pero aparte de eso, habrá pocos cambios con el Papa León, será más de lo mismo.

Estoy entusiasmado con el Papa León; parece enérgico y emocionado de ser el Santo Padre.

*P. Paul*
