New Cathedral of St. John the Baptist Council of The Knights of Columbus

The Knights of Columbus, the world's largest lay Catholic organization, are men who are committed to making their community a better place through the support of their Church. Founded in 1822 by Father Michael McGivney, along with parishioners of St. Mary's Church in New Haven, Connecticut, the group has grown to an international organization of more than 1.7 million members. The Knights are guided by the principles of charity, unity, fraternity, and patriotism and are renowned for their dedicated service and support of both church and country.

The Cathedral of St. John the Baptist Council (#17254) was founded just this year, and I could not be more excited about what the formation of this Knight's Council means for us here at St. John's! With the assistance of the Knights, we will have further support for the mission of the new evangelization, for which our Parish was founded almost 200 years ago and for which our beautiful Cathedral was built 150 years ago. It was Fr. Dean McNulty's intention—the one who gave us our beautiful Cathedral—“that he provide a church large enough to afford every Catholic in the City all the conveniences of attending Mass and receiving the sacraments and at the same time to erect a structure which would be a credit to the enterprise of the congregation” (Charles A. Shriner, History of the Catholic Church in Paterson, N.J., 1890, pg. 21). And how incredibly enterprising were those early parishioners. For the Church we call “home” was built by what was called “day's work”, which was the volunteer labor contributed by the members of the parish.

And the generous and enterprising spirit of those first parishioners continues on today through the witness and work of all those who give life to our programs, communities, movements, groups, and outreaches. How grateful I am to all of you! And now we welcome the Knights of Columbus to join us in this mission of being those living stones who invite others to know the mercy of God through charity and to experience the grace of God through the sacramental life of the Church. With the assistance of the Knights, as well as all of you already belonging to one of our existing groups, we will commit ourselves with greater effort and enthusiasm every day to give witness to our faith and to offer our original and unique contribution to the construction of the great cathedral in the world today. And what is that cathedral? It is the Church of our Lord, Jesus, His Body and His Spouse, the people constantly on the way without ever becoming weary, which proclaims to all the world that Jesus is risen, has come back to life, and that all who believe in Him will share in His own mystery of love!

Brother Knights, welcome to the team and to the family!!!!!!

Nuevo Concilio de Los caballeros de Colón en La Catedral de San Juan Bautista

Los Caballeros de Colón, la organización católica laica más grande del mundo, son hombres comprometidos a hacer de su comunidad un lugar mejor a través del apoyo de su Iglesia. Fundado en 1822 por el Padre Michael McGivney, junto con los feligreses de la Iglesia de Santa María en New Haven, Connecticut, el grupo se ha convertido en una organización internacional de más de 1.7 millones de miembros. Los Caballeros se guían por los principios de la caridad, la unidad, la fraternidad y el patriotismo, y son reconocidos por su dedicado servicio y apoyo tanto de la iglesia como del país.

El Consejo de la Catedral de San Juan Bautista (No. 17254) se fundó este año. ¡No podría estar más entusiasmado con la formación de este Consejo de Caballeros ya que significa tanto para nosotros aquí en San Juan! Con la ayuda de los Caballeros, tendremos más apoyo para la misión de la Nueva Evangelización, para la cual se fundó nuestra parroquia hace casi 200 años y para la cual se construyó nuestra hermosa catedral hace 150 años. Era La intención del padre Dean McNulty, quien nos dio nuestra hermosa catedral, "Que él proporcione una Iglesia lo suficientemente grande como para permitirle a cada católico en la ciudad todas las comodidades de asistir a la misa y recibir los sacramentos y al mismo tiempo erigir una estructura que sería un crédito para la emprendedora de la congregación "(Charles A. Shriner, Historia de la Iglesia Católica en Paterson, NJ, 1890, pág. 21). Y que increíbles emprendedores fueron los primeros feligreses para la Iglesia que llamamos "hogar" se construyó con lo que se llamó "trabajo del día", que fue el trabajo voluntario que aportaron los miembros de la parroquia.

Y el espíritu generoso y emprendedor de los primeros feligreses continúa hoy a través del testimonio y el trabajo de todos aquellos que dan vida a nuestros programas, comunidades, movimientos, grupos y actividades de acercamiento. ¡Qué agradecido estoy con todos ustedes! Y ahora damos la bienvenida a los Caballeros de Colón a unirse a nosotros en esta misión de ser esas piedras vivas que invitan a otros a conocer la misericordia de Dios a través de la caridad y a experimentar la gracia de Dios a través de la vida sacramental de la Iglesia. Con la asistencia de los Caballeros, así como de todos ustedes que ya pertenecemos a uno de nuestros grupos existentes, nos comprometemos cada día con mayor esfuerzo y entusiasmo para dar testimonio de nuestra fe y ofrecer nuestra contribución original y única a la construcción. De la gran catedral del mundo actual. ¿Y qué es esa catedral? Es la Iglesia de nuestro Señor, Jesús, su cuerpo y su esposa, la gente constantemente va en camino sin cansarse, y lo que proclama a todo el mundo es que Jesús ha resucitado, ha vuelto a la vida y que todos los que creen Él compartirán en su propio misterio de amor.

Hermanos Caballeros, bienvenidos al equipo y a la familia !!!!!!!
