A Message from Bishop Kagan regarding new Vaccine Options

NOTICE regarding the Janssen/Johnson & Johnson vaccine: The recently approved (FDA 2-27-2021) vaccine produced by Janssen/Johnson & Johnson used abortion-derived cell lines in the design, development, production and lab testing. This Janssen/Johnson & Johnson vaccine is morally compromised and therefore unacceptable for any Catholic physician or health care worker to dispense and for any Catholic to receive due to its direct connection to the intrinsically evil act of abortion. No one should use or receive this vaccine but there is no justification for any Catholic to do so. Two morally acceptable vaccines are available and may be used. As always, no one is bound to receive this vaccine, but it remains an individual and informed decision.

St. Joseph Catholic Montessori School & School of the Holy Family Catholic Schools Raffle!!

THANK YOU, THANK YOU, THANK YOU to all of our parishioners, families, and friends who were so generous and purchased raffle tickets from the students! We raised 29,130.00, that was 81% of our overall goal! We are excited that we are able to give back 50% of these funds to our families to receive tuition credit toward next year's tuition. This is a wonderful gift to continue to make Catholic Education affordable for all who want to attend. The other 50% will go toward our tuition assistance program. It was a great fundraiser!

We would also like to thank Catholic United Financial for their support of our school and donating 100% of the profits to our school.

Lastly, thank you to our chairs, Michelle Friedt and Katie Simmers for doing all of the counting of the tickets and the money that was turned in and keeping it all organized.
