Keep the Promise Campaign Update #65: Our Lady of Victory Chapel

Each day, the progress continues inside Our Lady of Victory Chapel! Enjoy a look at some of the latest projects, installations and beautiful art added to our chapel this summer.

STATIONS OF THE CROSS

The Stations of the Cross are installed throughout the chapel. (We will share more details about the incredible history and significance of these beautiful pieces of art in our chapel soon - so stay tuned for that remarkable story!)

ORGAN IS INSTALLED

The organ is now installed in the choir loft! It was quite a moment to hear the first songs played inside this chapel. We look forward to sharing the gift of hymns and music from this organ with you!

549 ORGAN PIPES

Fun Fact: There are 549 pipes in our organ! Each pipe was carefully wrapped to be transported here - then unwrapped and placed in each spot to create our masterpiece organ.

We are blessed and grateful for the incredible gift of Our Lady of Victory Chapel, given to SMCHS and Light of Christ Catholic Schools.

Our work continues to raise the funds needed to meet our campaign goals and continue the mission of Light of Christ Catholic Schools.

Please prayerfully consider how you can make a new pledge, renew a previous pledge, or set up a monthly recurring gift to Light of Christ Catholic Schools.

Pledge online: keepthepromise.net

This is a closer photo of the organ pipes, with the largest pipes most visible when looking up to the choir loft. The acoustics from this organ are a mix of sounds from the pipes and the speakers placed throughout the chapel.

Each pipe has a purpose and a place. This photo was taken as all 549 pipes were carefully unwrapped and placed in their proper places - in all shapes and sizes!

Our Lady of Victory

As you walk into the chapel from the main entrance, you will notice this emblem placed into the tiled floor. This piece was made exclusively for Our Lady of Victory Chapel. It is a profound reminder of the deep faith and love of our Blessed Mother Mary, with the words: *"I am the servant of the Lord. Let it be done to me according to your word."*

These remarkable pieces of art have been placed high above the 26-foot tall windows on the sides of the chapel.

The altar has been tiled around all sides, with much of this work being completed over the past week.

We are grateful for the hard work and efforts of so many people who have worked inside the chapel. This week, we had a group of volunteers that hand-scrubbed the tile floor as we did the final cleaning on the tile before the pews arrive, to be installed next. Thank you to all who help to make this dream of our chapel come true!

Stay connected with us as we continue building the chapel that will inspire generations of SAINTS! We will announce grand opening dates and events as it gets closer to completion. We can't wait to celebrate with you!

THANK YOU FOR YOUR PRAYERS & GENEROSITY!
