

OCTOBER IS ROSARY MONTH

**Twenty-eighth Sunday
in Ordinary Time**
October 11, 2020

Written by Pope Francis, for the end of the pandemic. Recite the rosary and say this prayer afterward.

O Mary,
You shine continuously on our journey
as a sign of salvation and hope.
We entrust ourselves to you, Health of the Sick,
who, at the foot of the cross,
were united with Jesus' suffering,
and persevered in your faith.

"Protectress of the Roman people,"
you know our needs,
and we know that you will provide,
so that, as at Cana in Galilee,
joy and celebration may return
after this time of trial.

Help us, Mother of Divine Love,
to conform ourselves to the will of
the Father
and to do what Jesus tells us.
For he took upon himself our
suffering,
and burdened himself with our
sorrows
to bring us, through the cross,
to the joy of the Resurrection.
Amen.

We fly to your protection,
O Holy Mother of God;
Do not despise our petitions
in our necessities,
but deliver us always
from every danger,
O Glorious and Blessed Virgin.

SCHOOL NEWS

Update On Return to Campus

It has been a very exciting week here on campus. Having our Kindergarten back in the building has, once again brought new life and additional joy into the building. With help from a wonderful group of volunteers, we tested out our drop-off and pick-up procedures and have adjusted so that we are ready and efficient when additional students return to campus. Unfortunately, there is new doubt as to when additional students will be returning.

As you may have already seen from this week's Key Indicators Data from King County, there has been a significant increase in transmission of COVID over the last week.

Yesterday, and again this morning, I spoke directly with a member of the King County Public Health Department. She reiterated that we do not need to shut down school or stop in-person instruction for those students already on campus. With the numbers where they are, public health is recommending that all schools slow down their reopening and they strongly urged schools not to bring back additional students to help avoid a complete shutdown of the school.

Based on the new numbers, our written policy, the recommendations from King County Public Health, and in conjunction with the other Catholic School principals in North Seattle; I have adjusted our reopening plan and we will not be adding new classes in the immediate future.

- Those students currently on campus (PS, PK, Kindergarten) will continue to receive in-person instruction until we are advised that it is no longer safe to have students in the building.
- Tentative return date for students in 1st and 2nd grade is now Monday, November 2nd.
- Tentative return date for students in 3rd and 4th grade is now Monday, November 9th.
- Tentative return date for student in 5th grade is now Monday, November 16th.
- Currently, we do not have a set return date for our Middle School students. We hope to welcome them to campus in November but, December 7th (the start of the 2nd trimester), may be a more realistic date of return.
