Saint of the Week

St. Rita of Cascia (1381 – 1457) had the opportunity to live her life as a wife, mother, widow, and eventually, member of a religious community. Born in central Italy, St. Rita felt the calling to become a nun, but was pressured at a young age into marriage. During her 18-year marriage to a cruel man, she raised two sons. When her husband was killed in a brawl and her sons died, St. Rita decided to go back to her first love and attempted to join the Augustinian nuns in Cascia. Her status as a widow caused some complications to her entering, but she eventually succeeded in professing vows.

Throughout her lifetime, St. Rita of Cascia was known for her prayerfulness and charity. She also experienced stigmata on her forehead, meditated frequently on Christ's passion, and cared for the nuns of her religious community and those in the lay community who came to her for counsel.
