### Stewardship of Talent

As the year draws to a close and we begin to look forward to 2024, our goals, aspirations, and other plans, we ask you to consider incorporating into a New Years's plan an approach to Stewardship. There is **Treasure**, the other components are **Talent** and **Time**. The 3 T's. Talent and Time will be of vital importance our Parish undergoes the transformation with Partners in the gospel. Our parish is full of talents, Plumbers, Electricians, Bakers, Carpenters, Communications, and Entrepreneurs. We need your Talents in our community, we need you to pass them on to others! Soon, the dreaded Stewardship cards will be present in the pews, let us pray with them and our families, considering how we might integrate our 3 T's into our parish family and larger community. Our community is Saint Benedict Parish but also the designated lines drawn. How can we serve each other and our extend this to our larger community making Saint Benedict a beacon in the midst of the tempest. Simple tasks, complex tasks, they are all necessary. Thank you for your prayerful consideration.
