# A MESSAGE FROM *Our Pastor*

Pg. 1

Dear Brothers and Sisters in Christ,

This Ash Wednesday, we mark the beginning of our Lenten celebration. This is the time of the year when our Scripture stories about Jesus will help us in our faith journey through reflecting on the Life, Death, and Resurrection of Jesus through the holy observance of prayer, fasting, and almsgiving.

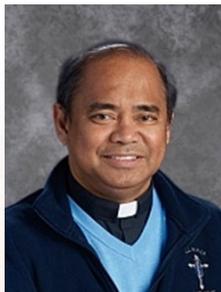

Here at All Souls, we adapted the theme “Come Follow Me” for the year 2021. Through the intercession of St. Joseph – faithful Guardian, humble Defender, and Protector of the Holy Family – our parish and school communities are working together to share its resources to enhance our weekend experiences. We also hope to create missionary opportunities in our ministerial work through spiritual development and education as it is best expressed in the life of Christian stewardship.

We hear in today’s Gospel a leper asking Jesus, “Master, if you wish you can make me clean!” There is an aspect in this illness that St. Mark, our evangelist, points out that does not only affect the health condition of a person, but many of these healing stories illustrate isolation and reintegration. Because of these illnesses, people are hindered from their normal associations with others, not to mention the economic impact due to the loss of work. The effects of our current pandemic brought about by social distancing, for practical and necessary reasons, have alienated people from this present way of life. Many family members and friends reported by patients and have been timid about touching or getting close to one another.

Lent also teaches us about the lessons of being connected with God amidst social distances and precautions. As Jesus withdraws from the crowd, whether through retreat or reflection, he remains to be source of blessing that God wishes for human beings, especially as we are reminded of his compassion and healing.

Our Catholic Appeal provides an annual opportunity to express our compassion to people who likewise been isolated and experienced the hardships of reintegration into our society. Your financial help to our annual diocesan campaign not only assists our brothers and sisters, our neighbors, but also our parish assessment and financial health conditions. No contribution is ever too small.

*Fr. David Vivero*

Queridos Hermanos y Hermanas en Cristo,

Este Miércoles de Ceniza, marcamos el comienzo de nuestro festejo de Cuaresma. Esta es la época del año en la cual las historias de Jesús en las Sagradas Escrituras nos ayudan en nuestra jornada de fe, al reflejar en la vida, muerte y resurrección de Jesús por medio de las prácticas sagradas de oración, ayuno y limosna.

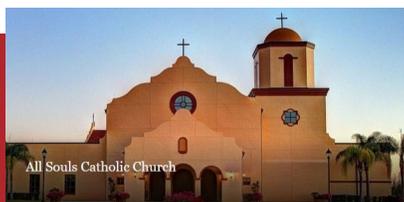

Aquí en All Souls, hemos adaptada el tema “Ven y Sígueme” para el año 2021. Por la intercesión de San José – fiel guardián, humilde defensor y protector de la Sagrada Familia – nuestras comunidades parroquiales y escolares están trabajando juntas para compartir sus recursos y mejorar nuestra experiencia de fin de semana. También esperamos crear oportunidades misioneras en nuestra labor ministerial, por medio de desarrollo espiritual y educación, en la mejor forma que ambas pueden ser expresadas, la vida de administración cristiana.

En el evangelio de hoy, escuchamos a un leproso pedirle a Jesús, “¡Maestro, si usted desea, puede limpiarme!” Existe un aspecto en esta enfermedad que, San Marcos, nuestro evangelista, señala que no afecta la condición de salud de una persona, pero muchas de estas historias ilustran el aislamiento y la reintegración. Por estas enfermedades, a las personas que las padecen se les impide tener asociaciones normales con el prójimo, sin mencionar el impacto económico que estas condiciones pueden tener por la pérdida de trabajo. Los efectos de nuestra actual pandemia, que han sido el resultado del distanciamiento social por razones prácticas y necesarias, han aislado a la gente de nuestra forma presente de vida. Muchos familiares y amigos de pacientes han reportado timidez en tocarse o acercarse mutuamente.

La Cuaresma también nos enseña la lección de estar conectados con Dios en medio de precauciones y distanciamientos sociales. De la misma manera que Jesús se aparta de la multitud, por medio de retiro o reflexión, El permanece una fuente de bendición que Dios desea para los seres humanos, especialmente cuando se nos recuerda de su compasión y sanación.

Nuestro Llamado Católico nos otorga una oportunidad anual de expresar nuestra compasión con las personas que de la misma manera se han encontrado aisladas y han sufrido las dificultades de reintegrarse a nuestra sociedad. Su ayuda financiera a nuestra campaña diocesana anual no sólo ayuda a nuestros hermanos y hermanas, nuestros vecinos, sino que también nuestra valoración parroquial y salud financiera. Ninguna contribución es demasiado pequeña.

## Gospel Meditation For Your Day

“**T**he Church, as a voice of the Gospel, proclaims the sacredness of all human life. Everyone created by God is fashioned in God’s image and has Divine DNA at the center of their soul. God never leaves what God creates but always remains intimately bound to what he has given form. Everyone has a place and because they have received the gift of Divine Blessing, nobody deserves to feel inferior, unworthy, unwanted, unclean or marginalized. Even the most broken of souls has a place. We, the Body of Christ, have the privilege and responsibility to give voice to the voiceless. The cries of the little one in his or her mother’s womb are just as sacred as the cries of one who is homeless and hungry. The migrant deserves our attention as much as the forgotten elderly and even the prisoner, with a heart hardened by anger and resentment, deserves respect and dignity.

The Gospel of Life is often hard to swallow, and we would rather keep those we consider unclean, different or unfixable in a place by themselves. It is hard to see them with us, but they deserve to be. There is far too much violence in this world and the result of that violence is the assault on human life. Many are forced to leave the place they call home in search of safer ground, finding few if any along the way who will help them. How different today’s Gospel story would be if Jesus gave in to what was politically correct at that time. The leper would have been turned away and a soul, already beaten down by disease and fear, would have experienced an even deeper wound. Jesus wouldn’t have captured much attention from anyone, nor would he have mirrored the Father’s compassion and love.

Where do we stand with all of this? Do we at least understand that God’s vision is often in

conflict with the vision put forth in our world and even the one we advance ourselves? There is no doubt that it is incredibly challenging to find a place for everyone at the table. This challenge is compounded when the systems of operation and structure that are so ingrained in us affirm power and privilege rather than inclusivity and justice. Everything really goes askew when the powerful begin to control who is entitled to wholeness and inclusion, and greed becomes a driving force. Prejudice and entitlement raise their ugly heads and we find ourselves with quite a mess. It’s time to admit that things have been a mess for a very long time. The mess needs to be healed, not by erasing it but by allowing God to touch it and make it whole. We need to bring God back to the center of life where God belongs. There are no easy solutions to the world’s dilemmas. But, knowing that wholeness, healing, and dignity are worthy pursuits, we can more confidently labor to achieve God’s vision. ©LPi

## We Serve...

### All Souls & CCW Helping the Homeless

This past weekend, The Council of Catholic Women did an amazing job of bringing attention to the "Hugs for The Homeless" program. These ladies were outside the church, before and after every Mass, to collect donations. The generosity of All Souls parishioners was wonderful and the ladies are deeply grateful for the donations and support they received! As a result, the important work of Pathways to Care will be able to continue their efforts

to help the homeless. Pathways to Care, located in Longwood, FL is an organization that provides care to the Homeless after they are released from the hospital, for their rehabilitation. From the ladies of CCW, a heartfelt thank you to all who contributed and May God Bless!

## Welcome!

### All Are Welcome Here

If you are alienated or upset, we welcome you lovingly. If you are in

need of forgiveness, Jesus forgives you completely — with unconditional love. If you have been hurt by the Church, we are truly sorry. If you are angry, Jesus offers you peace. If life has become burdensome, we are here to support you. We are happy you are here and want you to stay. We would like to share our lives with you. Come join us each week so we can worship God together.

## Preparing For Lent Drawing Closer to God

Our faith journey is full of wonders and lessons, each one serving as a way for us to recommit our lives to God. This renewed commitment includes understanding our feasts and celebrations; it means knowing a little about the precious history and rich traditions of the Catholic Church and preparing to observe these time-honored rituals of Advent, Lent, the Holy Triduum, Easter, and Divine Mercy Sunday.

These traditions are particularly important as Ash Wednesday approaches, and we face the task of preparing for our Lenten journey. Lent is a time of spiritual renewal and purification, a season that allows us to draw closer to Christ and ready ourselves to recognize his sacrifice on the cross and his conquering of death.

Lent begins on Wednesday, February 17, a day when we will receive ashes on our heads to start a time of self-reflection and preparation. This journey lasts 40 days, excluding Sundays – which are considered to be a mini celebration of the glorious Easter Sunday to come.

This year, amid a tumultuous worldwide crisis brought forth by COVID-19, we face the challenge of finding ways to purify ourselves to welcome the resurrection. There are many ways to prepare for Lent. Prayer and meditation, fasting and sacrifice, generosity with our fellow man, are all paths that we can follow to draw closer to God. Over the next weeks, some of these avenues will be further explored.

*We invite you to follow this series and set your course toward the Light of Christ, as we embark on our individual and collective Lenten journey as children of God.*

## Reflexion Para Cuaresma

### “Fijos Los Ojos en Jesús” (Hebreos 12:1-2)

Cómo está el pueblo santo de Dios? **BENDECIDO!!!** Quiero compartir con ustedes algunas reflexiones y sugerencias con motivo a la preparación del tiempo de Cuaresma. El miércoles de Ceniza está cerca y es importante que nos preparemos con un genuino espíritu de penitencia y oración, a pesar de las limitaciones que ha causado la pandemia y que se ha extendido al quehacer diario, al punto de que ya

forma parte de nuestras rutinas. Abre el oído y tu corazón, y fija tus ojos en Jesús para crecer juntos durante este tiempo.

CUARESMA es un tiempo de conversión y transformación interior en preparación a celebrar la Semana Santa y la Pascua. En esta reflexión comenzaré con el ayuno, y luego iré sugiriendo algunas formas de hacer provechoso este período de 40 días de oración, penitencia y ejercicios espirituales.

Existen dos tipos de ayuno: Ayuno corporal o externo. Incluye la abstinencia de algunas comidas, bebidas y otras diversiones como la música, las fiestas, los juegos de azar, etc. sobre todo en los días cercanos al Triduo Pascual. Algunas prácticas corporales pueden ser: Tomar menos de las comidas que más te gustan y más de aquellas que te disgustan; No comer nada entre comidas; No utilizar condimentos en la comida; Evitar escuchar música en la radio todo el día; Evitar la televisión y los videos; en vez de ello, leer la Pasión de Cristo en la Biblia; Rezar un rosario extra. Ayuno espiritual o interno. Consiste en la abstinencia de todo pecado mortal. San Juan Crisóstomo enseñó que el valor del ayuno consiste no tanto en la abstinencia de comida; sino en la abstinencia de prácticas pecaminosas. Algunas prácticas internas pueden ser: No conversar más de lo necesario; Ejercitar la paciencia en todas las cosas; No quejarte; Controlar la ira; Evitar el chisme; Hablar en buen tono a todos cada día; Evitar la vanidad y el egoísmo.

También podemos realizar otras actividades como: Practicar la humildad; Ser generosos; Hacer el trabajo que necesita ser hecho sin que alguien te lo pida; No ser ocioso todo el día; Salir al encuentro para ayudar a las personas o conversar con alguien que está en dificultad; Visitar a alguien que está enfermo.

Hoy en día, desafortunadamente, la observancia de la Cuaresma se ha convertido en mero formalismo, reducido a la abstinencia en ciertos días, sin ninguna preocupación en el crecimiento espiritual o en el propósito de tener una coherencia de vida. Pon tus ojos en Cristo y déjate llevar por Él... sigue sus huellas, aunque de repente te sientas en un Calvario, porque luego sentirás la gracia de vivir tu Pascua.

Dios te bendiga! -Deacon Wenny

## Saint Gilbert of Sempringham

**G**ilbert was born in Sempringham, England, into a wealthy family, but he followed a path quite different from that expected of him as the son of a Norman knight. Sent to France for his higher education, he decided to pursue seminary studies.

He returned to England not yet ordained a priest, and inherited several estates from his father. But Gilbert avoided the easy life he could have led under the circumstances. Instead he lived a simple life at a parish, sharing as much as possible with the poor. Following his ordination to the priesthood he served as parish priest at Sempringham.

Among the congregation were seven young women who had expressed to him their desire to live in religious life. In response, Gilbert had a house built for them adjacent to the Church. There they lived an austere life, but one which attracted ever more numbers; eventually lay sisters and lay brothers were added to work the land. The religious order formed eventually became known as the Gilbertines, though Gilbert had hoped the Cistercians or some other existing order would take on the responsibility of establishing a rule of life for the new order. The Gilbertines, the only religious order of English origin founded during the Middle Ages, continued to thrive. But the order came to an end when King Henry VIII suppressed all Catholic monasteries.

Over the years a special custom grew up in the houses of the order called "the plate of the Lord Jesus." The best portions of the dinner were put on a special plate and shared with the poor, reflecting Gilbert's lifelong concern for less fortunate people.

Throughout his life, Gilbert lived simply, consumed little food, and spent a good portion of many nights in prayer. Despite the rigors of such a life he died at well over age 100.

### Lenten Missionary Speaker

John Molloy, Director of Children's Ministry for the Diocese of Orlando has been in Parish Catechetical Leadership for 13 years. Having accomplished two degrees in catechesis and theology from both Franciscan University and The Augustine institute this proud father of five is going to spiritually nourish as well as inspire parishioners to actively "follow Christ" to the foot of the cross by actively engaging in a fuller relationship with our Lord.

Join us March 6-7th at all Masses to hear his inspired talk and March 8th-9th for the subsequent mission retreat (7-8/8:30pm).

"Jesús se compadeció de él, y extendiendo la mano, lo tocó y le dijo: '¡Sí quiero: Sana!' ". - **Mk 1:34**

## Our Faith Community

### Youth Ministry

*"Cause Your voice is like water  
running through me  
Eyes like fire all-consuming  
You're everything I'm not  
You're changing me"*

*"I'm open come and fill me  
Your presence is all I'm seeking  
You're everything I'm not  
You're changing me"*

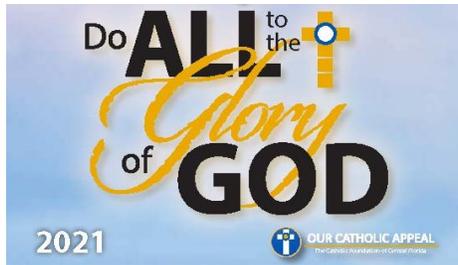

These are some of the lyrics to Changing Me by Christian artist Anna Golden.

In a culture where there is so much noise young people often need to be reminded to stop and really listen. In a prayer activity at one of our Sr. DAWG nights, youth were asked to stop talking and asking and really listen to the words of the song "Changing Me".

The song was played one time, then the teens moved to spaces set up with paper and paint. Once set up the song was played again. We urged the teens to let God move through them and speak to them allowing the Spirit to let them Prayer Paint.

After letting the music play through one more time, while they reflectively listened and painted, the teens had the opportunity to walk around the room and see their peers and their prayer paintings and a chance to share about their personal experience.

This is a favorite activity of many of the youth group and we usually try to do the activity once a semester.

### Our Catholic Appeal 2021

Our diocesan family will celebrate Our Catholic Appeal Weekend on February 13th & 14th. Over the past few weeks, we have prayed about, thought about and talked about the ministries supported by Our Catholic Appeal. Now it is time for all of us to share a portion of our treasure, so these ministries can continue.

If you received your 2021 Our Catholic Appeal packet in the mail and made your pledge, thank you. If you have not yet made your pledge, please consider doing so today. For your convenience, all contributions can be paid in a variety of ways, such as online at <https://www.orlandodiocese.org/our-catholic-appeal/>, through the mail with envelopes provided in the mailing to you and available at Church, and through flexible installments which can be arranged.

In addition to supporting every parish and school with administrative support, Diocesan ministries support the families in our Mission of San Juan de la Maguana, adults with disabilities at Bishop Grady Villas, veterans and homeless at Pathways to Care, retreatants and summer campers at San Pedro Center, tourists at the Basilica of the National Shrine, Mary Queen of the Universe, those who mourn at Queen of Angels Catholic cemetery, and our neighbors in need of rental assistance, food and healthcare through Catholic Charities. Our Catholic Appeal also sustains our Church in Central Florida through vocations office support, seminarian formation, priest development and care and faith formation for adults and children and more.

By supporting the ministries of our diocese, every parish, including our own, is better equipped to carry out the work of Christ. Thank you for your prayerful consideration and generous response.
