Growing up as a kid around the Seattle area I always thought, once Seafair happens (Blue Angels, Hydroplanes, parade, etc), school is just around the corner...

I am excited about our next steps together. Including our upcoming school year! Our wonderful St. Anthony Catholic School still has some enrollment spots available in particular, pre-K, 2nd, 3rd, and 5th grades. Contact the school office if interested in exploring a great Catholic education!

Along with school, our parish family is starting to come together more and more each day. In August I will be doing some brainstorming on the daily mass schedules with those who attend after July consultation with staff and priests. Our parish family liaison, Annie Bailey, will come to meet with both staffs this month as we plan for our joint parish staff retreat the end of August. Our Outreach ministries of both parishes are meeting next week to discuss how we can best take care of the poor and needy. Our Faith formation personnel are going to meet from both parishes to learn about our offerings at both parishes for all ages. I am excited to meet both pastoral councils together in a few weeks as we get to know one another and then over time form a parish family advisory team. This week our parish family leadership team will have our first meeting consisting of our parish administrators, a pastoral liaison from both parishes (Dulce and Anne), and our school principal.

I feel blessed to serve as pastor here and collaborate with so many positive and faith filled people here in our parish family and to utilize all our gifts together for the building of the kingdom here. As well as being pastor of our parish family I was recently appointed as Dean of the South King Deanery by Archbishop along with my other roles as priest moderator in Bellevue and role on the Priest Personnel Board and Steering Committee for Partners in the Gospel for the Archdiocese. With all these roles I am very happy to have my brother priests assisting me!

On the weekends, we will continue to hear from the Gospel of John chapter 6, the Bread of Life discourse. In all things let us remain focused around the Risen Christ in the Eucharist as we discern and work together in our new parish family. Thank you all for your prayers and support.

Your Servant in the Risen Christ,

Fr. Bryan Dolejsi D.Min, Pastor

Eucharistic Presence and Human Life

This summer we enter our third year of the National Eucharistic Revival and joyfully anticipate the profound celebration of Christ's presence among us at the National Eucharistic Congress in Indianapolis. Part of the impetus for the revival was a recent study that revealed many Catholics do not believe, or at least do not understand, that Jesus is truly present in the Eucharist, though in a hidden way. Similarly, many in our culture do not acknowledge the dignity of human life when it is hidden in the womb. Both of these instances call for us to help others recognize these sacred gifts that are hidden. We need to help them to understand that just because something may not be apparent to our eyes does not mean that it is not there or that it is not important. The Eucharist and the Gospel of life go hand in hand because they have the same source—Jesus himself, who is the Bread of Life. Christ gave his very flesh to give us the gift of eternal life and invites us to the most profound experience of this gift in our celebration of the Eucharist. The Eucharist has the power to transform the depths of our hearts and the heart of our culture. Lord Jesus, by the power of your Eucharistic Presence, help us to defend the life of every human person at every stage. Transform our hearts to protect and cherish all whose lives are most vulnerable. For you are God, with the Father and the Holy Spirit, forever and ever. Amen
