From Your Librarians

Books to borrow from the Notre Dame Parish Library located in the Pastoral Center is open Monday & Wednesday from 10:00 AM - 12:00 Noon. If you are unable to come during these times, please call Deborah Harris at 214-538-9105 and I will help you get the book(s) you need. **The Autobiography of Saint Therese of Lisieux – The Story of a Soul** translated by John Beevers is about a young French girl born in 1873 to highly religious parents and died a Carmelite nun at the age of twenty-four in 1897 following a slow and painful fight against tuberculosis. She is also known as Therese of the Child Jesus or as the Little Flower. Her parents Marie-Azelie Guerin and Louis Martin would eventually become the first married couple canonized together by Pope Francis in 2015.

Therese was born into an obscure middle class family in a small provincial town where she led an uneventful life. There was nothing remarkable about her intelligence and she was very shy and moody. She was received into the local Carmelite order in 1889 at the age of fifteen and took her final vows in 1890 where she joined her four biological sisters who also became nuns. Pope Pius X called her the greatest saint of modern times.

In the words of Pope Pius XI, "St. Therese attained supernatural gifts in such an abundant way that she was able to point out the sure way of salvation to others" and it is in **The Story of a Soul** that she points out this way. A month before she died Therese told her sister Pauline, "What I have written will do a lot of good. It will make the kindness of God better known." St. Therese's "little way" is that of trusting in Jesus to make her holy and relying on small daily sacrifices instead of great deeds and on a complete and unshakeable confidence in God's love for us. In many ways she is the patroness of finding holiness through everyday life.

This confidence means that we cannot be afraid of God even though we sin. He will instantly forgive us and come to meet us but we must repent and realize that God's love never fails.

Therese was canonized by Pope Pius XI in 1925, a mere twenty-eight years after her death and was named a "Doctor of the Church" in 1997 by Pope John Paul II. She is well known throughout the world, with the Basilica of Lisieux being the second most popular place of pilgrimage in France after Lourdes.

Another book you may enjoy is **St. Therese of Lisieux – Essential Writings by Mary Frohlich** which will enlighten the mind, nourishes the spirit and challenge the conscious. St. Therese of Lisieux spent her final nine years in a Carmelite cloister in Lisieux, France. Therese is probably best known by the title "The Little Flower" a name she gave herself. She compares herself to a humble little flower in a meadow, not one of the gorgeous ones but one of the ordinary little flowers who praise God simply with their ordinary beauty.

Feast day for Therese is October 1
