THE BAPTISM OF THE LORD

Today the Church celebrates the Feast of the Baptism of Our Lord. This brings to an end the season of Christmas. The Church recalls Our Lord's second manifestation or epiphany which occurred on the occasion of His baptism in the Jordan. Jesus descended into the River to sanctify its waters and to give them the power to beget children of God. The event takes on the importance of a second creation in which the entire Trinity intervenes.
