Share Your Blessings / Comparta Sus Bendiciones

Please, remember us with a bequest in your Will. The Parish of St Charles Borromeo, Resurrection and All Saints is our legacy to our children, our friends and our loved ones. Your thoughtfulness will help insure our future. Please, call the Rectory with questions about how to “word” your bequest.

Por favor, recuérdenos con un legado en su testamento. La Parroquia de San Carlos, Resurrección y Los Santos es nuestro legado para nuestros hijos, nuestros amigos y nuestros seres queridos. Su consideración ayudará a asegurar nuestro futuro. Llame a la rectoría si tiene preguntas sobre cómo “redactar” su legado.

AN EPIPHANY PRAYER

O Star-flinging God, whose light dances across eternity, dazzle us into your presence this new year. Open our hearts to the mystery of your love.

Awaken us to your presence, knit to the ordinary.

Reveal to us what is possible, but not yet present.

Heal us, that we might be healers.

Reconcile us to you and to ourselves, that our living might be reconciling.

Stop us often, we pray

with news that is good

with hope that holds

with truth that transforms, with a Word tailored to this trail we're on.

May the word of your grace guide our steps like the sun by day and the north star by night, as we travel into the gift of a new year.

Amen.

UNA ORACIÓN DE EPIFANÍA

Oh Dios que arroja Estrellas, cuya luz baila a través de la eternidad, deslúmbra en tu presencia este nuevo año. Abre nuestros corazones al misterio de tu amor.

Despiértanos a tu presencia, tejiendo a lo ordinario.

Revélanos lo que es posible, pero aún no presente.

Sánanos, para que podamos ser sanadores.

Reconcílianos contigo y con nosotros mismos, para que nuestro vivir sea reconciliador.

Deténganos a menudo, rezamos

con noticias que son buenas

con la esperanza que sostiene

con la verdad que transforma con una Palabra a la medida de este camino en el que estamos.

Que la palabra de tu gracia guíe nuestros pasos como el sol de día y la estrella polar de noche, mientras viajamos hacia el regalo de un nuevo año.

Amén.

NEXT WEEKEND SECOND COLLECTION
The Catholic Communications Campaign (CCC) and The Catholic University of America.

Next weekend, our Parish will take up the Collection for the Catholic Communication Campaign. This collection will help to communicate the Gospel through Catholic social media activities and enrich our faith through podcasts, television, radio, and print media. Half of all proceeds remain in our Archdiocese and support local needs. The Catholic University of America is the national university of the Catholic Church in the United States, located in Washington, D.C. It provides an academically rigorous education guided by Catholic intellectual tradition to nearly 7000 students every year. More than 4000 students directly receive scholarship aid from this Collection, including many from our diocese. Thank you for your generosity!

EL PRÓXIMO FIN DE SEMANA SEGUNDA COLECCIÓN -

La Campaña de Comunicaciones Católica (CCC) y la Universidad Católica de América.

El próximo fin de semana nuestra Parroquia se hará cargo de la Colecta para la Campaña de Comunicación Católica. Esta colección ayudará a comunicar el Evangelio a través de actividades católicas en las redes sociales y enriquecerá nuestra fe a través de podcasts, televisión, radio y medios impresos. La mitad de todas las ganancias permanecen en nuestra Arquidiócesis y apoyan las necesidades locales. La Universidad Católica de América es la universidad nacional de la Iglesia Católica en los Estados Unidos, ubicada en Washington D.C. Brinda una educación académicamente rigurosa guiada por la tradición intelectual católica a casi 7000 estudiantes cada año. Más de 4000 estudiantes reciben directamente becas de esta colección, incluidos muchos de nuestra diócesis. ¡Gracias por tu generosidad!

ADHD Awareness: From Stigma to Solutions

ADHD affects millions of children and adults, yet stigma and unequal access to care mean many in the Black community go undiagnosed or untreated. Understanding ADHD and addressing disparities can help more families find support and strategies for success.

The Hidden Struggle Too Many Face
Attention-Deficit/Hyperactivity Disorder (ADHD) is a common neurodevelopmental disorder that impacts focus, self-control and daily functioning. It is often identified in childhood but can continue into adulthood. Studies show Black children are more likely to be diagnosed with ADHD or a learning disability than white or Hispanic children, with prevalence rates around 14%. Teachers often report symptoms, but many Black parents are hesitant to raise concerns due to fear of stigma or discrimination.

Social and economic barriers also shape how ADHD is diagnosed and treated. Poverty, racial marginalization and exposure to discrimination can make symptoms worse while also limiting access to appropriate care. Without early recognition and culturally sensitive support, children may struggle in school, at home and in relationships.

Why It Matters

- About 17% of Black children have been diagnosed with ADHD or a learning disability
- Stigma and fear of discrimination discourage families from seeking help
- Economic barriers and systemic racism limit access to assessment and treatment

What You Can Do

- Learn the signs: Inattention, impulsivity and hyperactivity can appear differently in every child
- Break the stigma: Talk openly about ADHD to normalize seeking help
- Support access: Advocate for assessments, culturally appropriate care and resources in schools and communities
