Please, remember us with a bequest in your Will. The Parish of St Charles Borromeo, Resurrection and All Saints is our legacy to our children, our friends and our loved ones. Your thoughtfulness will help insure our future. Please, call the Rectory with questions about how to "word" your bequest.

Por favor, recuérdenos con un legado en su testamento. La Parroquia de San Carlos, Resurrección y Los Santos es nuestro legado para nuestros hijos, nuestros amigos y nuestros seres queridos. Su consideración ayudará a asegurar nuestro futuro. Llame a la rectoría si tiene preguntas sobre cómo "redactar" su legado.

EXAMINATION OF CONSCIENCE: YOU SHALL NOT KILL

"You shall not kill; and whoever kills will be liable to judgment"

(Mt 5: 21)

In God's eyes human life is precious and sacred. Every human person is made in the image of God and is the object of God's infinite love. However, Jesus reveals to us that even anger against your brother or harboring grudges against other people is a form of murder and there are varying degrees of murder.

The first degree, which is bad enough, is **sustained anger**. This is the type of anger that may have subdued, but that we insist on rekindling to avoid reconciliation. With this anger, you hurt yourself because you allow it to rage inside of you, denying you peace and joy.

A worse kind of murder is when we say **contemptuous words** - arrogant, angry, without love. This is true of people who always curse and look for negative and bad things in people. This is not only a sin against yourself; it is a sin against God. It is tantamount to blaming God for creating such creatures as your fellow human beings. How do you repair it? By making an apology and by being kind.

And the worst of these types of murder is that of **gossip**. Why is it the worst of all? When you gossip with people and say detrimental things about somebody else, what you say will be transmitted to others, no matter what you do. This is the exact nature of gossip. And even if you have to, or want to, you cannot correct or take back what you said. When we talk about other people, when we talk about our suspicions of one another, not to the person suspected, but to somebody else, we destroy the reputation of another, and sadly the damage is irreparable.

It is never too late to ask this question: what kind of murder have I committed? There are angers which we have kept for years. There are angers we have refused to recognize. There are murders we have inflicted on people, and they have died a thousand deaths because of our harshness. There are also murders that are going on right now because of the gossip that originated from us.

[a summary from a homily presented by Fr. Willem on 15th February, 2026]

EXAMEN DE CONCIENCIA: NO MATARÁS

"No matarás; y quien mate será condenado" (Mt 5: 21)

A los ojos de Dios, la vida humana es preciosa y sagrada. Cada persona humana está hecha a imagen de Dios y es objeto del amor infinito de Dios. Sin embargo, Jesús nos revela que incluso la ira contra tu hermano o guardar rencores contra otras personas es una forma de asesinato y que existen distintos grados de asesinato.

NEWS & EVENTS

El primer grado, que ya es bastante malo, es la **ira sostenida**. Este es el tipo de ira que puede haber atenuado, pero que insistimos en reavivar para evitar la reconciliación. Con esta rabia, te haces daño porque permites que arda dentro de ti, negándote paz y alegría.

Un tipo peor de asesinato es cuando decimos **palabras desdeñosas**: arrogantes, enfadados, sin amor. Esto es cierto para las personas que siempre maldicen y buscan cosas negativas y malas en los demás. Esto no es solo un pecado contra uno mismo; es un pecado contra Dios. Es equivalente a culpar a Dios de crear criaturas como tus semejantes. ¿Cómo lo reparas? Pidiendo disculpas y siendo amable.

Y lo peor de este tipo de asesinatos es el del **cotilleo**. ¿Por qué es lo peor de todo? Cuando cotilleas con la gente y dices cosas perjudiciales sobre otra persona, lo que digas se transmitirá a otros, hagas lo que hagas. Esta es exactamente la naturaleza del cotilleo. Y aunque tengas que hacerlo o quieras, no puedes corregir ni retractarte de lo que dijiste. Cuando hablamos de otras personas, cuando hablamos de nuestras sospechas mutuas, no a la persona sospechosa, sino a otra persona, destruimos la reputación de otra persona, y tristemente el daño es irreparable.

Nunca es tarde para hacer esta pregunta: ¿qué tipo de asesinato he cometido? Hay enfados que hemos guardado durante años. Hay enfados que nos hemos negado a reconocer. Hay asesinatos que hemos infligido a personas, y han muerto mil veces por nuestra dureza. También hay asesinatos que están ocurriendo ahora mismo por los cotilleos que vinieron de nosotros.
