

Name _____

We're WILD about 2nd grade!
Here's how to get ready this SUMMER.

Enclosed is your 2nd Grade Summer Reading Log and Math packet. For Reading, students are required to make 15 entries (20 minute sessions of Reading) per month to receive all 20 points for this quiz grade at the beginning of 2nd grade. Parents, please initial for each 20 minute session. Students who make 25 entries or more will also receive 10 Benilde Bucks for going above and beyond the expectations! The more your child reads, the better the chance to start 2nd grade out strong, secure, and confident.

For Math, students are required to complete sessions in IXL math programs to receive all 20 quiz points at the beginning of 2nd grade. These sessions will help your child with fact fluency and review of 1st grade math standards. The more they practice, the better they will get!

Additionally, please use this summer to locate a working tablet and get your child in the habit of charging it independently. Please also locate a set of working headphones. Please see St. Benilde's website to find requirements for devices to ensure you have the proper device for your child.

Congratulations on completing a successful 1st grade year, and I hope you are excited for a very special 2nd grade year!

Sincerely,

Your 2nd grade teacher

SUMMER MATH- IXL directions

To use IXL, download the IXL app or bookmark the website below on your child's device.

<https://www.ixl.com/signin/archdioceseno>

Once you log in, you will see your student dashboard, you can click on the tabs "From Your Teacher", "Recommendations", or the icon that says "Study Plans". From there you can select any math activity to work on.

Students should be correctly answering at least 100 questions per month (100 in June and 100 in July). To keep track of how many questions you have answered in a month, you can click on "Your Leaderboards" at the bottom of the screen on the dashboard.

Here is how students can expect to be graded on this assignment:

Number of questions correctly answered (for June and July)	Letter Grade for Summer Work
200+	A
170+	B
140+	C
100+	D
Less than 100	U

If your child will be new to St. Benilde next year, please email Julie Gaudet at jgaudet@stbenilde.com to get your child's IXL username and password as well as further instructions on how to access IXL.

ALL IXL MATH SHOULD BE COMPLETED BEFORE MONDAY, AUGUST 11TH
