

# Summer Work

Dear soon to be second graders and parents,

Summer is a time to relax and have fun, but it is also important to keep the skills you learned in first grade sharp to prepare for all the adventures that await you in second grade. Below are the required assignments for incoming second graders. Please hand in your completed book reviews the first week of school.

## **Math**

Please complete at least 30 minutes on Reflex each week this summer. It is very important that you practice your addition and subtraction facts before second grade.

## **Lexia**

Please complete at least 30 minutes on Lexia each week this summer. Lexia gives you tools to grow as a reader and writer.

## **Reading**

Please pick two books that you can read and fill out the Book Review sheet for each book. Fill out the review sheet in your neatest handwriting and use color for the pictures.

Have a great summer! See you in second grade.
