DEAR HOLY PEOPLE OF GOD:

Most of the times, the seduction of money is so powerful that we allow it to overpower us. When money gains control of us, our priorities in life are shifting in a rapid speed and our Christian values and morals are sacrificed: we have multiplied our possessions but reduced our Christian values; we have higher incomes, but lower morals; we have bigger homes, but more divorce and broken homes.

Alarmed with the erosions of Christian values caused by the people's obsession to wealth, in the gospel today, Jesus reminded his disciples:

> "… I tell you, do not worry about life, what you will eat or drink, or about your body, what you will wear. Is not life more than food and body more than clothing? … But seek first the kingdom of God and his righteousness, and all these things will be given you…"

Jesus reminds us that our priority in life is to "seek first the kingdom of God!" He is not saying that possessions are bad and owning things are wrong. He is reminding us that the hunger for endless possessions of wealth is GREED. And every time we surrender to the evil of greed, we have lost the opportunity to be generous.

However, let us not put the blame on what we possess but on our corrupt minds and dishonest hearts. For it is possible to be rich but not to be controlled by greed. We have to learn how to say enough, and we have to learn how to share our treasures to others. By "seeking first the kingdom of God," we will learn how to be detached from our possessions in life and God will always see that we are so rich in his grace. This is so because we are so precious in God's eyes. The proof of this is God's words in the first reading, he said:

> "Can a mother forget her infant… the child of her womb? Even should she forget, I will never forget you."

Remember, God will never forget you because you are created in his image and likeness, and your name is written in the palms of his hands forever.

God bless you all!

ASH WEDNESDAY is March 1ST. As we begin Lent it helps to refresh our understanding on what it means to fast.

WHAT IS FASTING?

Did you know that fasting AND abstinence is only ***required*** of Catholics on Ash Wednesday and Good Friday? Abstain from meat (14 years+) and eat only one meal, with two smaller ones spaced throughout the day. No eating between meals. Those who suffer from hypoglycemia, diabetes or other medical conditions are not required to fast at all. For fasting, you need to be between the ages of 14 and 60. But fasting can involve more than the stomach—fasting can also FILL us and bring us closer to God; fasting can increase our self-control, loosen the grasp of unhealthy habits and rearrange our priorities.
