

ST. PAUL THE APOSTLE PARISH CHINO HILLS

PASTORAL DIRECTION

The Scripture says: **"Where there is no vision, the people perish."**

We have the capacity to develop the parish into a worshipping, serving and evangelizing community, as well as a community who look at stewardship as a way of life. We have to explore our potentials to the max to create something worthwhile in re-organizing the parish. Our faith in God and our faith in the people we serve will ignite our belief in touching one another, and building bondedness with each other. And we can proudly say: **"This is our home! No place like home!"**
At the end, we become **"visible signs of God's love!"**
