About Healing of the Heart Prayer

- ♥ A personal inner healing prayer to receive the promised transformation that God freely offers.
- ♥ Designed to help Christians connect with Jesus, receive healing from emotional wounds and traumas, and uncover the lies that keep us from living out the **truth** of who we are in Christ.
- ♥ Intensive prayer time for healing of emotional hurts, pains, and wounds—often embedded in memories.
- ♥ Based on the belief that a person's present emotional pain is often rooted in misinterpretations (lies) embraced during life experiences.
- ♥ Prayer that helps a person to discover and expose a falsehood that is believed; then encourages him/her to have an encounter with Jesus Christ; and thus allows the Lord to reveal **His truth** to the wounded person's heart and mind.
- ♥ Biblical-based and Christ-centered prayer relying on God for its direction and outcome.
- ♥ An opportunity for a personal encounter with the Lord Jesus in the midst of the emotional pain. It is not about giving advice, counseling, diagnosing problems, or sharing opinions or insight.
- ♥ In God's presence, receive the **truth** of your authentic identity.
- ♥ A safe, loving, and effective prayer to bless and enrich our walk with Christ.

Healing of the Heart Prayer

Confidential prayer offered at St. Nicholas Prayer Center by a trained facilitator with a prayer intercessor.

Experience healing and freedom; a renewal of your mind; and inner transformation by connecting with Jesus through prayer and receiving **God's love & truth**.

Basic process:

1. The present emotional pain is identified
2. Find or discover the original memory containing a lie believed about yourself
3. Expose the original or core lie(s) held in the memory that is causing the emotional pain
4. Receive **truth** from God

Ephesians 4:23-24:
Be renewed in the spirit of your minds, ...in righteousness and holiness of **truth**.

John 8:32:
You will know the **truth**, and the **truth** will make you free.
