HEALING AND SALVATION

The readings today speak of healing and salvation. In Second Kings, Naaman, a commander of the army of the king of Syria, develops leprosy. He goes to a stranger, a prophet from Israel, when no one else can cure his disease. Much to his surprise, after a simple bath in the river, he is cured. In Luke's Gospel, Jesus cures ten lepers and sends them to the priest. Only one, a Samaritan, returns to thank Jesus for his cure and only he hears the words, "Your faith has saved you." The psalm and Timothy remind us that salvation involves justice, kindness, and faithfulness and forever links us with Jesus. In a world as broken as ours, both healing and salvation are necessary.
