A FRESH PERSPECTIVE ON THE  
SUNDAY READINGS  
**HIS WORD TODAY**

by Rev. William J. Reilly  
Most Holy Name Catholic Church, Garfield, NJ

**Second Sunday in Ordinary Time  
January 15, 2023**

**“John testified further, saying, ‘I saw the Spirit come down like a dove from heaven and remain upon him. I did not know him, but the one who sent me to baptize with water told me, ‘On whom-ever you see the Spirit come down and remain, he is the one who will baptize with the Holy Spirit.’ Now I have seen and testified that he is the Son of God.’”**

We are well aware of Pentecost and the event which gave life to the church. The event at the Jordan speaks of the same Holy Spirit, present at Jesus’ baptism. Think about the words in John’s gospel. The Spirit was visible like the wind, noise and fire at Pentecost. It descended upon Jesus and remained, leading the gospel writer to write ‘He is the Son of God.’ Later the centurion would echo this same profound statement.

At our confirmation the same Spirit came, and remains, but we are slow to make that special presence *and* power visible. John said he didn’t know Him. Do we? He made us to know, love and serve Him. We are sent to make Him known, loved and served.

**SECOND SUNDAY IN ORDINARY TIME**

**First Reading: Isaiah 49:3, 5-6**

This reading is a short passage from the second song of the Servant of the Lord. The Lord will show his glory through His servant whose mission is to restore Israel and bring salvation “to the ends of the earth.”

**Second Reading: 1 Corinthians 1:1-3**

Paul sends greetings to the people of Corinth, who have been called to be holy and consecrated in Christ.

**Gospel: John 1:29-34**

When Jesus visits John, John recognizes Jesus as the “Lamb of God who takes away the sin of the world.” John further indicates that Jesus is truly the Messiah and “God’s chosen One.”

**Mondays: 4:00 to 5:00 pm**

**Tuesdays: 7:00 to 8:00 pm**

The **Week of Prayer for Christian Unity** has a history of over 100 years, in which Christians around the world have taken part in an octave of prayer for visible Christian unity. By annually observing the WPCU, Christians move toward the fulfillment of Jesus' prayer at the Last Supper "that they all may be one." (cf. John 17:21)

**SCHOOL NEWS**

**Let us rejoice and be glad as we ring in the new year!**  
**Happy New Year St. James!**

The sixth grade has been working diligently throughout the year. As we enter 2023, it is a time for students to reflect on their past and look forward to their futures. The sixth grade will begin the year by developing the skill of goal setting. Students who set goals for themselves will create a cycle of achievement that empowers their learning. The S.M.A.R.T. format for goal setting will aid them in this endeavor. S.M.A.R.T. is an acronym for Specific, Measurable, Attainable, Realistic/Relevant, and Time Based. The creation of such clear goals allows for students to create an action plan for success.

The sixth grade is digging through World History to unearth the fascinating creation of the world's earliest civilizations and what they have to teach us about societies today. We have most recently explored the civilizations within the Fertile Crescent, where we have discussed rulers and kings, and the policies that they enforced. Students were interested to hear the role that religion had played in forming these early empires and their governments!

In music class, the students have already learned how to write and perform divisions of rhythms; counting as small as the 16th note. They are able to write and identify pitches on a treble staff and are currently practicing the bass staff. These skills enable them to learn to navigate the piano keyboard, perform notes, melodies, scales, and eventually chords. The sixth grade will take those skills to the next level with an electronic music project coming up in the future.

Continued success to all members of the St. James community; have a happy and healthy New Year, and may God bless you all!
