Parish Social Ministry - The Fifth Pillar of our Vision Statement

“When I was hungry, you gave me food....” (The parable of the last judgment, Matthew 25). The fifth and final pillar of our Vision Statement is - ***“Parish Social Ministry: We bring our faith to life by serving others through compassionate personal outreach, and commitment to social justice.”*** Here are the goals and objectives from the brainstorming session, and the time frames and lead person, or parish ministry(s) responsible for bringing them to life in our faith community over the next few years.

These parish leaders can only accomplish our dreams with your assistance!

Goal #1: Develop a more personalized approach to meet specific client needs. Those who come to our Parish Outreach office are in various social conditions. Some are disabled, others are going through a temporary hardship who can be assisted with resources to help them and finally, some are senior citizens in need of care.

Objectives: 1) To train parish ministers (volunteers) regarding best practices for assisting disabled clients. We will accomplish this sometime in 2017. Our Parish Social Ministry (PSM) Director (Nina Petersen) will lead this effort, along with nonprofit professionals from nearby agencies, who will be invited to assist us. 2) To develop resources to assist parish ministers (volunteers) with their teaching of clients the management of their resources. By introducing these clients to other resources from government and other sources, we will seek to assist them in increasing their household income. This will be accomplished in 2017. Our Director of Parish Social Ministry and Ministry Volunteer Caseworkers will lead this effort. 3) To explore expansion of Social Services to the homebound/low income seniors. This will be accomplished through an extension of the Friendly Visitors program, and in conjunction with our Youth Ministry (SKY) and/or Family Ministry. 2018 is our target year for this to be accomplished. The PSM Director will lead this in collaboration with the Director of Youth Ministry (Mary Mullan) and/or the Director of Family Ministry (Barbara McNulty).

Goal #2: Advocate Social Justice Issues by educating the parish about Catholic Social Teaching.

Objectives: 1) Form a Social Justice Committee by June 2017, with ministry volunteers who come forth from the Stewardship of Time and Talent weekends. 2) Determine the two social justice issues that will be the targets for the Social Justice Committee (SJC) in 2018. The Director of PSM and the pastor will coordinate this. 3) Develop a plan to engage the parish through educational bulletin inserts, invitation to political lobbying and organization of letter writing campaigns.

Goal #3: Increase food resources so we can invite clients with great need to visit our food pantry more often. (This is an attempt to give increased assistance to our clients whose supply of food is most insecure for themselves or their families.)

Objectives: 1) Recruit ministry volunteers to assist in developing and implementing a plan to increase food supply. (This person(s) will establish connections with local community organizations, schools, sports clubs, etc. so that we can have a schedule that will include organizing one major food drive each month during the year.) We hope to accomplish this in 2017 (PSM Director)

2) Meet with pantry workers to determine what foods will be offered and how they will be distributed, when clients come for additional help. This was accomplished in the fall 2016.

3) Train all ministry volunteers on ***“added visit procedures”***. This involves the development of a smooth process when clients come for a second visit in need of food. This will be different from the process of regular food orders. Target date: 2017. This will be coordinated by the PSM Director and PSM Core Ministry Volunteers.

The five pillars of our Vision Statement will be realized only with your ministry involvement. Many of you are working closely in ministry with parish leadership, lay and ordained, to proclaim the good news of Jesus Christ in the Farmingdale area. Thank you for your generous contribution! If you are not yet involved, you are greatly needed. Christ our Lord has called you by name to come and follow him. Let any one of our Pastoral Team members (listed in the bulletin) know of your interest, and discuss your ministry.

Peace, Father Bruce

St. Kilian Pastoral Planning –

Since the fall of 2014, using demographic studies as resource, and a parish survey taken at weekend masses in November 2014, St. Kilian parish has been developing a Pastoral Plan to invigorate the parish and focus our energies for the next five years. A St. Kilian Steering Committee made up of members from The Pastoral Council, and other parishioners interested in the project, developed a parish Mission Statement, followed by a St. Kilian Vision Statement. It is hoped that the dreams and desires, the hopes and aspirations of our parish community will be realized effectively.

The Mission Statement is more global. It attempts to create a word picture that captures the essence of who we are. What is our purpose? Why do we exist as a Catholic faith community in Farmingdale? The Catholic family of St. Kilian parish seeks to be a vibrant, welcoming community of faith, guided by the Holy Spirit, nourished by God's word and the Eucharist, and committed to witnessing God in and through our neighbors. (St. Kilian Mission Statement) The Vision Statement flows from the Mission Statement. It tries to concretize the global Mission Statement by means of Five Pillars or major themes with specific goals and objectives in our parish life. The First Pillar- Hospitality; The Second Pillar - the Eucharist and liturgy; The Third Pillar - Lifelong Faith Formation; The Fourth Pillar of Stewardship; and the Fifth Pillar of Parish Social Ministry.

Following the 12:30 PM mass on Sunday, November 20th, the St. Kilian Pastoral Council and the St. Kilian Pastoral Team, will host an open meeting for all parishioners.

The results of the brainstorming sessions on the Five Pillars of the St. Kilian Vision Statement, will be presented. There will be time for Q and A. Your perspective on the results of the brainstorming sessions are welcome. Your active involvement is solicited. Refreshments will be served. The results of the brainstorming sessions (specific goals and objectives in each area of parish life) can only be realized over the coming years by the commitment of as many parishioners as possible. Your service is critical for our future as a faith community. Please join us for sharing, fellowship and community building. Come, Holy Spirit-Sponsored by the St. Kilian Pastoral Council and the Pastoral Team.

This week our parish will take up the *Collection for the Archdiocese for the Military Services (AMS)*. There will be only one collection. The guiding mission of the AMS is to provide the sacraments – and the re-affirming Word of Christ – to the men and women serving in our armed forces, patients in VA Medical Centers, civilians working for the federal government beyond U.S. borders, and the families of these populations. To provide these services they need your help - the AMS receives no federal funding.

Please consider remembering St. Kilian Parish in your will. Catholics of generations to come will thank you for your thoughtfulness and remember you in prayer.

Pastor's page: The Annual Stewardship Report on St. Kilian Parish Life (2015-2016)

"Now to Him who is able to accomplish far more than all we ask or imagine, by the power at work within us, to Him be glory in the church and in Christ Jesus to all generations, forever and ever. Amen. (Paul to the Ephesians 3: 20-21)

The Spirit of God has indeed been working powerfully among us during this past Jubilee Year of Mercy. Praise be to God! I am most grateful for your response to God's love in the many ministries of St. Kilian parish. You are truly beloved disciples of the Lord!

The Spirituality of Stewardship, based on the 1992 pastoral letter of the US bishops: *Stewardship: a Disciple's Response*, has rejuvenated Catholic dioceses and the parishes within them, around the country. The pastoral letter in its entirety is available on the US Bishops website: USCCB.org

In last year's Stewardship Annual Report on St. Kilian Parish Life, I noted that the St. Kilian Steering Committee had composed the Mission Statement that has been prominently displayed in our bulletin and on our website (stkilian.com) during the past year. The St. Kilian Vision Statement with "Five Pillars of Parish Life", soon followed the Mission Statement. The Pillars are: Hospitality, the Eucharist and Liturgy, Lifelong Faith Formation, Stewardship, and Parish Social Ministry. Laminated holy cards of the Mission and Vision Statements were distributed after Mass, to be placed in your prayer book, or perhaps on your dining room table. Since the end of the summer, I have dedicated my pastor's page to the Action Plan that will put the Five Pillars of Parish Life into specific goals and objectives for the coming years. If you missed these Bulletin pages, you can find them on our website.

Pope Francis has spoken repeatedly about encountering our Lord in prayer. Stewardship is the response we make to that life-changing encounter with Jesus. He calls us by name to come and follow him as his disciples. Everything we do after we say 'yes' to Jesus, is stewardship!

This St. Kilian Annual Report is a striking testimony to the power of the Spirit at work among us who believe. In every dimension of parish life we are proclaiming the kingdom of God until the Lord returns.

In our Faith Formation programs, each week for twenty weeks during the year, 1200 students study the Scriptures and church teachings. They learn to pray as they encounter Christ through the witness of their catechists - nearly 80 of them. This past year our catechists were updated on the teachings of our church. In addition, they received classroom skills. Their catechist formation was led by our Directors of Faith Formation (Claire Stiglic and Kathy Singleton). As the new Faith Formation year began this past September, monthly parent meetings started. It is hoped that young parents will learn to pray, and gain some theological expertise in their understanding of the Eucharist, reconciliation and confirmation - becoming more active in their faith, setting a good example for their children, and worshipping God as a family on Sundays. The 9:30 AM Family Mass in particular, is geared to music that will touch the hearts and minds of younger folks and their parents.

Our Stewardship renewals; time and talent in the spring and fall financial offering with pledges for the year, have brought many newcomers to ministry and support of our parish. If you are new to ministry in the parish, welcome and thank you! Hundreds of veteran parishioners active in ministry commit each spring to another year of service to the gospel. If you have increased your financial support for our many ministries, I am sure the Lord is pleased with your generous contributions. If you can respond more generously - but have not, we are in great need of your support.

Nina Petersen, the Director of our Outreach and Parish Social Ministry, tells me that she was blessed to receive and train twenty-eight new outreach ministers as backups or replacements for our regular volunteer crew. Training was provided not only by Nina, but also by agencies like the Department of Social Services, Catholic Charities and Long Island Cares.

During the past year, St. Kilian Parish Social Ministry met the needs of 8582 people. They received food, basic needs of living like clothing and toiletries, transportation, case management, housing and utility assistance, employment assistance, information and referrals, advocacy with social service, holiday assistance, school supplies and friendly visits. The extent of services offered by this parish to the poor and needy is extensive. Nina would be only too happy to let you know in more detail how St. Kilian parishioners are meeting the challenge of the poor. Your financial offerings, and your involvement as a worker and minister with Parish Social Ministry, help make this possible. Thank you.

Like most parishes throughout the United States and Europe, Church attendance weekly at St. Kilian is less than 15% of the registered 5300 families. To meet this challenge, the Five Pillars of the St. Kilian Vision Statement, and the five-year Action Plan, hopes to return baptized Catholics to full engagement with the work of the gospel at St. Kilian.

Some highlights of our Action Plan: 1- The creation of a *Welcome Wagon Ministry* with home visits to new parishioners and those newly registered; 2 - A new *Hospitality Ministry* for monthly, after Mass refreshments and community building; 3 - A *9:30 AM Family Oriented Mass* with contemporary music to attract young families, especially those enrolled in religious education; and 4 - *Prayer and Retreat opportunities* both on our parish campus and nearby retreat centers.

When I arrived at St. Kilian, in June 2014, I received a packet of information about the parish. Sadly, LaSalle Regional School had closed in June 2012 due to lack of sufficient enrollment and mounting financial costs, especially healthcare and the payment of a just wage for the school faculty. My predecessor, Father Michael Flynn, was broken hearted, but soon made efforts to rent or lease the closed school building during daytime, with our religious education children making use of the facilities after public school hours. I have continued this pursuit of a renter or lessor, to no avail.

Maintaining the building and our other parish buildings is quite costly each year. The school building and the rectory (the former convent) are nearing sixty years old, and in need of extensive repairs. We have only \$652,000 in parish reserves. Like most of the parishes in our diocese with buildings from the 1960s, renovation and modernization of all our parish buildings is badly needed. Roofs, windows, doors and boilers need replacement and preventative maintenance as well. The school building does not allow access for the disabled, and is not ADA compliant; nor is it energy-efficient.

To address all this properly will easily cost 1.5 million dollars. In the meantime, operating costs, over which we have no control, continue to rise. Benefits for employees increase annually. The total school subsidy tax, to support Catholic schools in our diocese, is now \$130,524 for St. Kilian parish. (12% of total income; a tax levied on all parishes in the diocese).

The Pastoral Council has been made aware of our situation, and their counsel has been sought. With the advice of the parish Finance Committee, this past year we engaged the services of a commercial broker to facilitate the rental or lease of the closed school building. In addition, the diocese of Rockville Centre has authorized all parishes with rising financial needs and decaying infrastructure, to consider the sale of parish property, contingent on the approval of the diocese. With the involvement of our commercial broker (Colliers), and at the behest of Bishop Brennan and diocesan officials, I am developing a Pastoral Plan for the future use of our parish buildings and property. The commercial broker and I have been meeting with Bishop Brennan and the heads of our diocesan offices on the needs of St. Kilian parish and the use of our parish buildings for the proclamation of the gospel. We are considering all possibilities.

In the meantime, your continued financial support of our parish is crucial. We can make the necessary repairs to our buildings only with your generosity. During the past fiscal year, our total regular collections were nearly flat; down .1% from the previous year. The Backwards Raffle, bequests and fundraising enabled us to stay in the black. As good stewards of all God's blessings given to you, your involvement in parish ministries and your sharing of money, support the mission of St. Kilian church. Stewardship is not minimum giving. It is maximum giving.

You serve the Lord with gladness in the many ministries of this faith community. You also offer praise to God with your weekly offering in the collection. In every dimension of parish life, the Catholic faith that we treasure is handed on and proclaimed.

Thank you for all that you do in the name of Jesus Christ. In the power of the Holy Spirit we will meet the challenges of the future. To Him be the glory and honor, forever and ever. Amen!

*Peace,
Father Bruce Powers, Pastor*

St. Agnes Medal of Service

Since 2006, the pastor at St. Kilian parish, in consultation with parish leadership, has recommended a member of our parish to Bishop Murphy for public recognition of their lay ministry.

This year, Father Bruce recommended Mr. and Mrs. Paul Muhs, to receive the St. Agnes medal of service at St. Agnes cathedral church in Rockville Centre.

Paul and Irene have been deeply involved in many ministries at St. Kilian - especially in the respect life ministry. Bishop Murphy has accepted the recommendation. We are deeply grateful for Paul and Irene, and their dedicated service to Christ and St. Kilian parish. Congratulations and God's blessings!

STEWARDSHIP CORNER

Thank you to all of you who have already returned your Commitment Form in response to our invitation to "Take-A-Step" in this year's Financial Renewal. As mentioned last week, we invited our parishioners to bring their completed commitment form to Mass this weekend. Forms will also be available in the church pews and at all of the entrance tables. You will have time to fill out the form during Mass if you have not already done so. We hope you have had a chance to read both Fr. Bruce's Stewardship Report and the Financial Report that appear in this bulletin.

If you did not win the October website contest, here is a chance for this month. Here is a sample question: Who was the first Pastor of St. Kilian Parish and when did he serve? ANSWER from the web page: go to the web page, click "ABOUT", then "Parish History" and the answer is - Rev. Fr. Gerald Spielman, O.S.B. (1896 to 1909), Now for this month's actual question: "My friend's father is interested in becoming Catholic. What can I do to help him? Your response must be in to the rectory by Sunday November 19, 2016. The winner will be announced in the bulletin the last weekend of November.

Congratulations to our parishioner, Karen

Bensen, who correctly answered the question "Where would I find Parish financial information?" on the St. Kilian website. The correct answer is:

1. Go to the web page (www.stkilian.com)
2. Go to the "Pastor's Page"
3. Click on the "Financial Reports"

Karen was the winner of a \$10 Dunkin' Donuts gift card.
