**~ Living Stewardship - Pillar of Service:**

We, too, are called to be at service to God- we can practice that by being at service to our neighbor. Is there anyone around you (family, friends, neighbors) who can use your assistance in something? Perhaps you can offer to take an elderly friend to Mass or to the grocery store (or even do their shopping for them). Perhaps you can just be an ear for someone who needs to talk.

**General Intercession:** For those who are lonely. We pray to the Lord...

PLEASE REMEMBER IN YOUR PRAYERS OUR PARISHIONERS SERVING IN THE MILITARY:

# LENT

Lent is often thought of as a time of sacrifice.....a time to “give up” things such as candy, bad habits and maybe even the internet. Although these challenges help us prepare for larger sacrifices in life, Lent does not have to be a time of “giving up”. Rather, we can make it a time to “give” alms and add something positive to our daily lives and the lives of others.

When it comes to almsgiving or helping the poor, the Church makes it easy

Alternatively, you may bring them directly to Outreach during our operating hours from Monday to Thursday, between 9 am and 12 pm. Your generosity will make a meaningful impact on our community food pantry. **Thank you!**

## *How To Avoid a Scam*

Recognizing these 4 common signs of a scam could help you avoid one.

1. Scammers **PRETEND** to be someone you know or to be from an organization you know.

Scammers might use a real name, like the FTC, Social Security Administration, IRS, or Medicare, or make up a name that sounds official. Some pretend to be from a

business you know, like a utility company, a tech company, or even a charity asking for donations. They use technology to change the phone number that appears on your caller ID. So, the name and number you see might not be real.

2. Scammers say there's a **PROBLEM** or a **PRIZE**.

They might say you're in trouble with the government or a utility service. Or you owe money. Or someone in your family had an emergency. Or that there's a virus on your computer. Some scammers say there's a problem with one of your accounts and that you need to verify some information. Others will lie and say you won money in a lottery or sweepstakes but must pay a fee to get it.

3. Scammers **PRESSURE** you to act immediately.

Scammers want you to act before you have time to think. If you're on the phone, they might tell you not to hang up so you can't check out their story. They might threaten to arrest you, sue you, take away your driver's or business license, shut off your electricity, water or gas, or deport you. They might say your computer is about to be corrupted.

4. Scammers tell you to **PAY** in a specific way.

They often insist that you can only pay by using cryptocurrency, wiring money through a company like MoneyGram or Western Union, using a payment app (Venmo, Zelle, etc.), or putting money on a gift card and then giving them the numbers on the back of the card. Some will send you a check (that will later turn out to be fake), then tell you to deposit it and send them money.

## *How To Avoid a Scam*

Take steps to block unwanted calls and to filter unwanted text messages.

Don't give your personal or financial information in response to a request that you didn't expect. Honest organizations won't call, email, or text to ask for your personal information, like your Social Security, bank account, or credit card numbers.

If you get an email or text message from a company you do business with and you think it's real, it's still best not to click on any links. Instead, contact them using a website or phone number you know is trustworthy. Don't call a number they gave you or the number from your caller ID.

Resist the pressure to act immediately. Honest businesses will give you time to make a decision. Anyone who pressures you to pay or give them your personal information is a scammer.

Never pay someone who insists that you can only pay with cryptocurrency, a wire transfer service like Western Union or MoneyGram, a payment app, or a gift card. And never deposit a check and send money back to someone.

Before you do anything else, tell someone — a friend, a family member, a neighbor — what happened. Talking about it could help you realize it's a scam.

## THE SOCIETY OF ST. VINCENT DE PAUL OF LONG ISLAND

28 de Enero - Cuarto Domingo en Tiempo Ordinario:

En el Evangelio de hoy, leímos que como Jesús hablaba con autoridad, su fama se extendió por todos los alrededores de Galilea. Como Sus discípulos nosotros también hablamos con autoridad cuando ponemos nuestra fe en acción ayudando al pobre y los que sufren.

¿Haz tu pensado de responder al llamado de servir a los pobres, uniéndote a La Sociedad de San Vicente de Paúl de nuestra parroquia?

*Si necesita ayuda o desea información sobre cómo unirse o contribuir a la Sociedad, por favor llame al 516-473-9562. Deje un mensaje, en inglés o español, con su nombre y número de teléfono. Alguien devolverá su llamada lo antes posible. También puede visitar nuestro sitio web en [www.svdpli.org](http://www.svdpli.org).*
