because it gives us the Author of Grace." (Pope St. Pius X)*

Our parish will be hosting a monthly Eucharistic Holy Hour on the first Saturday of the month from 3:30-4:30 pm. There will be time for quiet prayer and adoration as well as the opportunity to attend Confession. Let us all take the opportunity to spend some time with our Lord in the Blessed Sacrament on Saturday, July 6<sup>th</sup>.

Praying for fellow parishioners who are sick is an important component to our Faith. Due to privacy issues, however, people do not always appreciate their names being published. Requests for published names will only be taken from a family members.

## From the Pastor

### Noah's Ark

After all the rain we've had this spring, I thought you might appreciate this teaching from Noah's Ark.

Everything I need to know about life, I learned from Noah's Ark . . .

1. Don't miss the boat.
2. Remember that we are all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the ark.
4. Stay fit. When you're 600 years old, someone may ask you to do something really big.
5. Don't listen to critics; just get on with the job that needs to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs.
8. Speed isn't always an advantage. The snails were on board with the cheetahs.
9. When you're stressed, float a while.
10. Remember, the ark was built by amateurs; the Titanic was built by professionals.
11. No matter the storm, when you are with God, there's always a rainbow waiting.

*Peace & Blessings,*

*Fr. Mark*

### USCCB

"If any person may have been abused by any priest, they should immediately contact their local County Prosecutor's Office and the Diocese's Victims Assistance Coordinator: Dr. Ken McNiel at 973-879-1489. You may also be in touch with either of the Diocesan Response Officers: Rev. Msgr. James T. Mahoney, Vicar General and Moderator of the Curia, 973-777-8818 Ext. 205 or Sister Joan Daniel Healy, S.C.C., Chancellor/Delegate for Religious, 973-777-8818 Ext. 248.

The entire text of the Policy of the Diocese of Paterson in Response to Complaints of Sexual Abuse is available on the diocesan Web site: [www.patersondiocese.org](http://www.patersondiocese.org)."

### The Gift of Many Tongues

As the Holy Spirit filled the disciples and the gathered crowds, all heard God's Word preached, each in his or her own language. This gift of "many tongues" was a sign of God's desire for all to know his love, and all to be faithful stewards.

Our celebration of Pentecost this year (*next weekend, June 8<sup>th</sup> & 9<sup>th</sup>*) will be enhanced by a Multi-Language Liturgy. If you speak a language other than English and wish to speak a prayer in that tongue at one of the Masses, please call or e mail Maryann at the Ministry House, 973-335-2894 or *office@st-pius-x.org*.

### Seminarian Corner

In today's Gospel, we hear Jesus ask that the unity he experiences with the Father be extended to all who believe in him. He prays that we may be one with each other, with him, and with the Father. We are reminded that Christ is the source of Christian unity or our human harmony. Through Christ, we are united with one another and with God our Father. So, let's keep working for unity in our families and in our world. Let's keep building bridges to one another. And let's keep bringing the Gospel to people far away. We are all made in the image and likeness of God and this should be a great source of unity. May the Lord bless us with his unity and love.

*Frank Lennie, Seminarian*

### ALL SAINTS ACADEMY CORNER

ASA – A Model School For STEM Education

Since its inception in 2009, All Saints Academy has been a forerunner in STEM education in the Parsippany area and beyond. Now, as All Saints Academy enters its 10<sup>th</sup> year, it remains in the forefront on STEM education in Morris County. All Saints Academy earned national recognition as our Morris County's first certified STEM elementary school. The subjects of **Science**, **Technology**, **Engineering** and **Math** are high-focus academic areas that are vital to our future – the future of our region, the future of our country and the future of our children. STEM is everywhere and shapes our daily existence. All Saints Academy provides all students – from preschool to grade eight – with a STEM enriched learning environment. Critical thinking and problem solving skills, creativity, teamwork, learning through process and challenge, innovation and global insight are key elements in student-centered STEM education. All Saints Academy teachers and staff are uniquely prepared to develop and implement lessons that combine the traditional elements of math, science and technology and interface them with the engineering design process. And all of this is done in a faith filled environment that places a paramount value on Christian ideals.

To learn more about All Saints Academy and STEM Education, contact our school principal, Mrs. Judy Berg at 973-334-4704.
