

My Dear Parishioners,

I am honored to be your pastor and excited to work together as intentional disciples along the journey.

It is through the grace of God and our collective efforts that we continue to improve the world around us, making a difference in the lives of so many within our community. Together, we play a vital role in fulfilling the spiritual needs of our parishioners, from education for wedding couples and young parents, to Faith Formation and Youth Ministry. Your efforts also support our community through our many ministries, tending to those in need through prayer and outreach. This year, in particular, we will support St. Gerard Majella Parish through our Lenten Almsgiving and beyond. We are privileged to follow the example set by Jesus Christ.

Your active participation by volunteering your time or providing financial support brings us together as a community, enabling us to do more while enriching our own lives. As your pastor, I call upon each of you to reflect upon how you might be willing to help. I encourage you to reach out to me, our staff, or ministries to let us know how you would like to help, be it your gifts and/or to provide financial support through our Annual Stewardship Program.

In these times, we need each other more than ever and as members of this amazing and vibrant parish, God provides a clear path for our fulfillment as Catholics, truly living the words and spirit of Christ.
