LAKE CITY

Dear brothers and sisters in Christ,

I would like to thank all the musicians, the cantors, and lectors for helping us lift our souls to God when we celebrated All Souls Day and All Saints Day this past week. Having everyone participate in these beautiful liturgies was quite moving for me as a priest!

Next week brings an exciting celebration of the sacrament of confirmation for our students here at St. Mary’s on November 8, 2023 so please pray for our confirmation candidates and their families to be faithful to Jesus Christ.

I just want to take this time to thank you all for your faithfulness to Christ and making him your top priority. This brings me great happiness. This shows to me that you are actively seeking Christ and you have encountered him. Please share your story of how you fell in love with Jesus because these stories are powerful when shared. These stories will inspire our brothers and sisters who haven’t found the right words or encouragement to make that leap of faith. Be that face and be that prayer warrior for them!

I will be gone from November 17-20th so Friday morning Mass will be cancelled. I will be taking a short trip to Kansas to visit my cousin, Sister Peter Marie, so please for her as she completes her college studies and gets closer to her final vows. There will be a visiting priest from Catholic Cross outreach who will be here for confessions and Masses that weekend.

Sincerely,
Fr. The Hoang

Father William O’Brien grew up in Wisconsin, where his great grandparents ended up making new lives when they fled the famine in Ireland during the mid-1800’s. His upbringing and family ties have all centered on the family farm where old-fashioned principles of hard work, church, and family unity were paramount. After working in the construction industry for 20 years, which included his position as construction auditor for a \$200 million power plant, Father William took early retirement and left to study for the priesthood.

At the tender age of 48, he was ordained and has never once regretted his decision to answer God’s call. In his career as a priest, Father William has served in many parishes, including as Pastor of St. Peter the Fisherman in the Green Bay Diocese, for 13 years. Now, Father William’s compassion for our hurting, struggling and poverty-stricken brothers and sisters, have led him to his new position as an Outreach Priest for Cross Catholic Outreach, where he will bring the plight of the poor to parishes across the U.S.

Father William O’Brien of Cross Catholic Outreach will be visiting our parish next weekend to speak at all the Masses on behalf of the poor in developing countries. Cross Catholic Outreach was founded to create a meaningful link between parishes in America and the priests and nuns working in the Church overseas in the Caribbean, Africa, Asia, Central and South America
