IF POSSIBLE REMEMBER ST. MARY’S IN YOUR WILL!	

Packing for the weekend is once again in need of brown paper bags with handles if possible. We thank everybody for their past support, and I once again are getting low on brown paper bags.

This Rosary was found in church in one of the front pews. If it’s yours, you can pick it up during office hours.

Dear brothers and sisters in Christ,

It is good to be back from traveling for World Youth Day, and I enjoyed it very much! I have some exciting news to share with you that the Diocese of Winona-Rochester has entrusted to us the important mission of forming young men into becoming great priests!

I am pleased to announce that we will have a seminarian, Cullen Gallagher, with us for a semester. We will be his teaching parish as they call it in St. Paul Major Seminary. This means that once a month, Cullen will join us for the weekend Masses and will observe as well as take part in the activities of the parish. He will be joining us this weekend for the Masses, so please introduce yourself to him. I am praying that this will open the door for more young seminarians to come in the future and help inspire the young men of this parish to rise up the call!

I am praying and hoping that Lake City can be a great and holy parish that is willing to nurture holy families who are willing to offer their own sons and daughters as priests and religious sisters. Please encourage all young men and women whenever you see them to pray and think about the possibility of loving God in this beautiful and radical manner. I need your help in this because I can't do this on my own. We are blessed to have our very own in Tim Kujawa, but I believe that there are more young men and women hiding in the silence and are looking for more prayers and support. Let us show the youth of the Church that we are here for them and that we will support them!

Sincerely,

Fr. The Hoang

Amy Rogness and I are putting together a benefit concert for our local high school choir director, Carey Kopp. She has Stage 4 lung cancer and we are recruiting community members to join in a mass choir as part of this concert. Rehearsals will be Sunday afternoons (8/20, 8/27, 9/10, & 9/17) @ 3pm in the high school choir room. The concert will be Sunday, Sept 24th, 3pm @ First Lutheran church. Right now we are just looking for singers to join us, but more opportunities to be involved will be made known soon.

We know that we can come together as a people of light and love to show our support for Carey and her children, Emma and Owen, in this time of great need. If someone you know may be interested, please share this information. We are looking for high school age and up, past students, friends, colleagues, and anyone who would just like to share their voice to encourage and uplift this family.

If you aren’t able to participate, please, please add them to your prayers.

If you have any questions, please call Lisa @ 651-448-0015.

In appreciation and peace, Lisa Wallerich
