Dear brothers and sisters in Christ, This weekend, we celebrate the end of the Easter season with the Feast of Pentecost. This is the birthday of the Catholic Church. She emerges from being hidden in the shadows to flood the streets with the preaching of the gospel in the name of Jesus. She is equipped with the breath of God via the Holy Spirit. There is so much that the Holy Spirit can do! The sad part is that we have forgotten a lot of it since we were last confirmed about the gifts of the Holy Spirit. We only view the Holy Spirit at times as merely a guide in times of distress or sorrow. The Holy Spirit is the third person of the Holy Trinity and he is the bridge between the relations of the Father and Son. This, the Holy Spirit works alongside of God and Jesus to help bring us closer to them when we pray. He helps us interpret the results of our prayers and the way in which God and Jesus speaks to us. He also helps us to be more intimate with God. Let us pray for a greater outpouring of the Holy Spirit into our lives! Sincerely, Fr. The Hoang

Let’s Celebrate Our Graduating Seniors!

To all who have contributed to the Hispanic Community: We invite you to leave a card in the church office for the Graduating Seniors of our Hispanic Community. This year, we are proud to celebrate eight young men as they graduate and move forward into the next chapter of their lives. Your words of encouragement, blessings, and support can inspire them to continue their studies and stay strong in their faith—even when the road gets tough.

Thank you for being a vital part of their journey!

Pope Leo XIV held the third general audience of his pontificate on Wednesday, telling the faithful that even when we feel useless and inadequate, “the Lord reminds us that our life is worthy.”

“Even when it seems we are able to do little in life, it is always worthwhile. There is always the possibility to find meaning, because God loves our life,” Leo said in a sunny St. Peter’s Square on June 4, four days before the one-month mark of his pontificate.
