# Life Under Siege

## The Global War on the Unborn Continues in 2019

Jonathan Abbamonte ([pri@pop.org](mailto:pri@pop.org))

We are only one week into 2019 and pro-abortion advocates are already hard at work chipping away the right to life for the unborn.

In the **U.S.**, a newly inaugurated House of Representatives on day one began attempting to repeal the Trump administration's Protecting Life in Global Health Assistance policy (PLGHA) (a.k.a. the "Mexico City Policy"). The Protecting Life in Global Health Assistance policy blocks hundreds of millions of federal foreign aid dollars from being spent on foreign pro-abortion NGOs like the International Planned Parenthood Federation (IPPF) and Marie Stopes International.

A provision nullifying PLGHA was included in the House spending bill, which passed the House on January 3 on a vote of 241 to 190. However, the White House issued an official statement indicating that President Trump will veto the measure if the provision nullifying PLGHA is not removed from the bill. Senate Majority Leader Mitch McConnell has also vowed not to consider any legislation that "cannot pass [the Senate] and which the president will not sign."

Overseas, January 1st marked the beginning of legalized abortion on-demand in **Ireland** up to 12 weeks gestation and up to 6 months gestation in cases of health of the mother and fetal disability. To add insult to injury, abortions in Ireland will be fully taxpayer-funded and there will be no exemption for healthcare workers to conscientiously object from providing abortion referrals under certain circumstances. Furthermore, Catholic hospitals will be denied the institutional right to conscientiously object to providing abortion services.

In the South American nation of **Ecuador** pro-abortion lawmakers are pushing to change the nation's penal code to allow abortion in cases of rape, incest, and fetal disability. [This is how abortion proponents get their foot in the proverbial door - by first passing laws which allow the murder of the unborn in the so-called "hard" cases.]

(**Note:** This coming Tuesday, January 22, marks the 46<sup>th</sup> anniversary of the U.S. Supreme Court's infamous *Roe v. Wade* abortion decision which legalized the murder of innocent unborn children for the full nine months in the womb - and is still the law of the land. Please pray and fast this Tuesday for an end to abortion in our country, and throughout the world.)

**PRAY for the SICK in our PARISH**, and visit them if possible: Jean Wawiorka, Giovannina Apostoli, and Rose Bordo, who are at Brookside Nursing Home; Miriam Tetzlaff, Sissy Hansen, Eleanor Hogan, Maria Savaglio, Gilda and Armando Bilotto, Ann Constanzo, John Bilotti, Sharon Ignatovich Fair, Aldo Bosco, Dorothy Ramcheck, Rosemary Werwie, Carmella Fox, Richard Kaminski, Edie Druding, and Nick Guarascio.

If anyone knows of any other sick persons in our parish, please call the rectory and, with their permission, we will place them on our "Pray for the Sick" list.

At St. Joseph Catholic Academy, our academic outcomes are strong, but our moral formation is even stronger. Our students not only learn the Gospels, but they live them. SJCA is dedicated to building scholars, leaders and stewards who will transform the world. Please consider this sort of transformative education for your family. Studies show that students who go to Catholic School are more likely to graduate, attend college, graduate college, own a home and be more engaged in parish leadership roles.
