### **Pro-Life States Will File Lawsuit against Biden's Illegal Plan to Turn VA Hospitals into Abortion Clinics**

(Steve Ertelt, *LifeSiteNews*, Sept. 16, 2022)

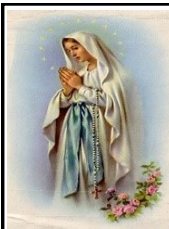

Pro-Life states are gearing up for a lawsuit against the Biden administration after Joe Biden finalized a plan to turn VA hospitals into abortion clinics. States like Alabama and Arkansas will likely be leading the way in defending their abortion bans from the federal government usurping them by authorizing VA hospitals to sell dangerous abortion drugs or do surgical abortions ending the lives of unborn children. Biden's move is already a violation of federal law that prohibits the taxpayer-funded VA medical centers from doing abortions but it also violates the *Dobbs* decision, whereby the Supreme Court gave states the ability to protect babies from abortions.

Leading pro-life group Susan B. Anthony Pro-Life slammed the decision and reiterated that it is illegal, in violation of both federal and state laws. "This is the latest egregious example of the pro-abortion extremism that has taken over the Democratic Party. Biden himself used to agree taxpayers should never be forced to fund the destruction of innocent life. Now he is head of the most pro-abortion administration in history. There is no law they won't rewrite or institution they won't destroy in their drive to impose abortion without limits – even late-term abortions well after unborn children can feel pain – up to the moment of birth, paid for by taxpayers, nationwide."

**The Fallout from Ignoring the Teaching  
of Christ on the  
Transmission of Human Life & Birth  
Control (*Humanae Vitae*)**

by Fr. Brian Mullady, O.P.

([hprweb.com/2022/09/questions-answered-october-2022/](http://hprweb.com/2022/09/questions-answered-october-2022/))

Dr. Conrad Baars, a famous Catholic psychiatrist who had been sent to a concentration camp during World War II, once expressed the true paradigm shift which the approval of contraception causes: "[B]irth control appeals so much to the selfish element in every human being. It eliminates the responsibilities and duties of love. It decries the consequence of romance and it educates young people in their own selfish interest and indulgence of their selfish pleasures."

It is a truism [says Fr. Mullady] that the great poverty of the West is a spiritual poverty and this is witnessed in the destruction of marriage and family, the backbones of society. Paul VI has proven prophetic when he predicted that the divorce of sex from children would produce this destruction which extends to wholesale divorce and now even attacks the very foundation of the sexes in transgenderism. One can see the further erosion of the whole idea of the person in the almost psychotic hatred demonstrated by many Americans when *Roe vs. Wade* was overturned.
