Five Year Pledge Most families can make their best pledges payable over time, rather than one-time gifts.

Frequently Asked Questions about Pledges:

Who is being asked to pledge to the Love One Another Campaign? All households in all parishes of the Archdiocese of Milwaukee will be asked to prayerfully consider a five-year commitment.

Why does the campaign request five-year pledges? Pledges payable over five years allow families to budget their contributions in monthly or annual payments. Most of us can make larger commitments over time than we might be able to all-at-once. Five-year pledges help ensure we can meet our parish's campaign goal and fund the needs of the parish and important Catholic ministries in our 10 counties of southeastern Wisconsin.

When do pledge payments begin? Each family determines the timing and frequency of their pledge payments and how payments are made.

Love One Another Campaign Prayer

Almighty and ever-living God, we thank you for your blessings in our life. We praise you for your goodness and generosity. Help us to live as stewards of your grace and love that through prayerful work and sacrifice we may bring your love to our families, parish, and community. We humbly pray for strength and fortitude to follow your great commission: to go make disciples of all people, living our faith through word and deed. Inspire in your people generous hearts to strengthen the mission of our parish, to serve those in need, to support vocations, and to educate our children through the Love One Another Campaign. Guide us in this important campaign, watch over our efforts to help build your Kingdom here on Earth, and give us joy in serving You and Your Church now and forever. Amen

Please pray for the sick in our parish

"MIRACLE HUNTER" MICHAEL O'NEILL

Presentation on EUCHARISTIC MIRACLES: Michael O'Neill, known as the "Miracle Hunter" and a frequent guest on EWTN, will give a presentation on Eucharistic Miracles (includes showing of a film he produced) at **St. Therese Church, 2020 91 St., Kenosha, on Tuesday, June 6 at 7pm**. Come and learn about many miracles - when the appearance of the bread and wine was changed visibly into Christ's flesh and blood, and how these miracles have been scientifically verified - all to deepen our faith in the great mystery of Christ's Real, substantial Presence in the Eucharist.

Our Lady Of Mount Carmel Parish is doing a combined BLOOD DRIVE in honor of the Catholic Feast Day of Corpus Christi.

We are doing so in a combined effort with 5 other Catholic parishes. The actual blood drive will be held on Monday June 12th at the parish hall at Holy Rosary from 1:30pm to 6:30 pm. Sign-ups for the giving of blood will begin at the end May (up to June 11th) - so please reserve that June time frame. One donated unit of blood is capable of saving three lives. If you can't donate, enlist a friend or relative who can. Hourly door prizes will also be drawn. It is also possible to give Blood at the Blood Center on 39th Avenue, and it can be credited to our Corpus Christi Blood drive anytime during the month of June. Please help if you can, and in doing so, you would also be honoring the Feast Day of Corpus Christi (The Body and Blood of Christ) in a special way. Christ shed his Precious Blood for us, and with our donation of Blood, we can help others in desperate need. Thank You!!!

CONGRESS INTRODUCES PERSONHOOD LEGISLATION

By Matt Sande,
Pro-Life Wisconsin Legislative Director

The *Dobbs v. Jackson Women's Health Organization* U.S. Supreme Court ruling in June 2022 remanded the abortion issue back to the state legislatures and the Congress to be democratically addressed by the people's representatives. Accordingly, the 118th U.S. Congress has introduced legislation that protects the preborn child as a legal person. Offering a national solution to the atrocity of abortion, the legislation applies 14th Amendment protections to all human beings from conception.

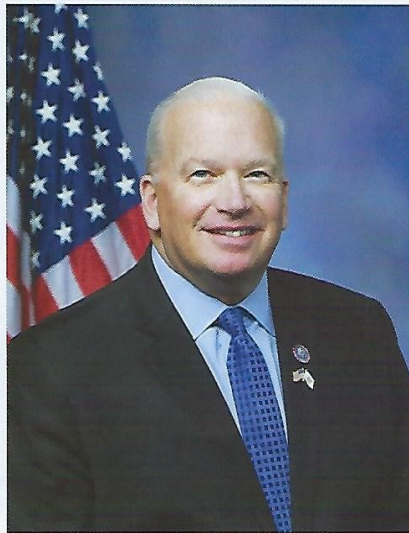

On January 20, 2022, U.S. Representative Alexander Mooney (R-WV) introduced House Resolution (H.R.) 431, the **Life at Conception Act**, to implement equal protection under the 14th Amendment to the United States Constitution for the right to life of each born and preborn human person. It has so far been co-sponsored by seventy-three representatives, including **Rep. Scott Fitzgerald** (R-WI), and has been referred to the Committee on the Judiciary. H.R. 431 does the following:

1) *Implement(s) equal protection for the right to life of each born and preborn human person, and pursuant to the duty and authority of the Congress, including Congress' power under article I, section 8, to make necessary and proper laws, and Congress' power under section 5 of the 14th article of amendment to the Constitution of the United States, the Congress hereby declares that the right to life guaranteed by the Constitution is vested in each human being;*

2) *Defines "human person" and "human being" to include each and every member of the species homo sapiens at all stages of life, including the moment of fertilization, cloning, or other moment at which an individual member of the human species comes into being; and*

3) *Includes the District of Columbia, the Commonwealth of Puerto Rico, and each other territory or possession of the United States in [...] (t)he term "State" used in the 14th article of amendment to the Constitution of the United States and other applicable provisions of the Constitution.*

The Life at Conception Act is one of the most comprehensive pro-life bills ever introduced by the U.S. Congress. Through H.R. 431, Congress would establish personhood from the moment of conception to extend the equal protection and due process rights of our federal constitution to all human beings from the beginning of their lives. Establishing personhood would legally recognize the preborn child as a United States citizen at every stage of development and thus protect him or her against any physical harm, such as from surgical abortion, chemical abortion, embryo destructive research, research cloning, or other violent attack. Put simply, **the Life at Conception Act would fully protect every preborn human being from his or her beginning without exception.**

Americans, born and preborn, deserve total and permanent legal protection of their inalienable and inviolable right to life. With the *Dobbs* decision clearing the way, NOW is the time to enshrine the personhood of each preborn child in

federal law. Legal abortion, defined as the intentional destruction of a living preborn human being, cannot be tolerated in any state or jurisdiction in America. It leaves a bloody stain on our entire nation wherever it is permitted.

Former President Ronald Reagan, in his 1988 National Sanctity of Human Life Day proclamation, said it best:

"Our nation cannot continue down the path of abortion, so radically at odds with our history, our heritage, and our concepts of justice. This sacred legacy, and the well-being and the future of our country, demand that protection of the innocents must be guaranteed and that the personhood of the unborn be declared and defended throughout our land."
