

Vacation Bible School

Those who love me, I also love, and those who seek me, find me. (Proverb 8: 17)

Our goal with our Vacation Bible School is to create an environment that is fun, energetic, exciting and creative in an atmosphere in which each participant can discover God's love and come to know Jesus as God's Son. VBS helps our children discover Jesus through crafts, snacks, Bible stories, games, music and friends. Each year a service project gives the children an opportunity to reach out to others in need and spread the Gospel message. VBS also provides an opportunity for teens to give service and deepen their relationship with God by teaching specific stories from the Bible and relate them to our world and our lives. Please see Holy Apostles' website for more information.
