Taizé Prayer is characterized by the repetitive singing of simple harmonized tunes, interspersed with readings, prayers, and periods of silence.

Church lights dim. On the altar and the floor and steps around it, dozens of candles flicker, some atop pillars. The church comes alive with candlelight. Worshippers in the pews chant together, slowly and prayerfully. This is a Taizé prayer service. "It is a time to rest in God, to let the words listened to and sung penetrate one's being." Taizé is a calming, quieting, welcome respite from our everyday lives.
